

Institutional Distinctiveness

Our vision is to be a premier institution in engineering and technology and management with competency, values and social consciousness.

Sri Indu College of Engineering and Technology is consistently motivating, support platform for students to exhibit their skills knowledge in various competitive Technical Events. Our institute has arranged various technical events and awareness programs to increase the competency level.

High quality of the academic excellence covers way for the desired outcomes of conceptual learning and technical competency among the students. This is achieved through curriculum design in tune with the global requirement blended with innovative teaching – learning methods. Motivating and supporting the students into various technical programs and activities, guest lectures and workshops through technical associations and forums namely ISTE, IETE, CSI, IEEE enables them to develop their technical competency to work towards their career aspirations and opportunities and to achieve their desired academic and career goals.

Students are educated on courses offered through MOOCS (NPTEL NOC, Coursera, Spoken Tutorial, etc.) each of the semesters in tune with the courses offered through the semester. The institute also acknowledges the academic excellence of the students through scholarships, cash awards and Gold Medals during College Annual Day. Innovation and Design: The institute's vision to empower the budding women engineers towards innovation and design is visualized through their active participation in national level competitions like Hackathon, paper presentations, Project expos. The students are mentored and guided by the faculty in working competitively to stand at the national level in various technical events. SICET IIC, R&D Cell, EDC Cell, S-HUB, P-HUB conducts various workshops, seminars, guest lectures and contests to enhance the potential of the students towards innovation and design. Various technical contests and competitions are conducted by department technical associations to challenge the technical competency of the students.

The SICET NSS team takes up initiatives in collaboration with government agencies and NGOs to build up social responsibility among the students by arranging blood donation camps,

tree plantation, women empowerment, skill developments, voters awareness programs, Clean Campus, Eco friendly activities etc.,
