## Central Library: GATE Visitor In and Visitor Out

Barcode system facility is available instead of the manual gate register which is made mandatory for check-in and check-out of library users. This application is very easy to analyze the statistics of visitors to the library at entrance counter.

### Key features of NGL Counter

1. Single window screen available for Visitor-In and Visitor-Out
2. Simple, User friendly and no training required to use it
3. Rapid Visitor in and Visitor out functions to handle large numbers during peak visitor timings
4. Available facility, to record personal belongings and non library materials at the time of Visitor in.
5. NGL Desktop: New report is now added that gives statistical report of Visitors to the library
