To,

The Principal

Sri Indu College of Engineering & Technology,

Sherignda Ibrahim Patnam,

Ranga Reddy District, Telangana- 501510

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier I offered by Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510.

Sir,

This is regarding Compliance Report submitted by Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510 for the UG Engineering programs which were accredited by NBA in Tier-I for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on 15th July, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510 should submit fresh online application under First Cycle SAR through e-NBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510 as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Subject: Accreditation status of programmes applied by Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510.

Sir,

This has reference to your application I.D. No. 3206-29/10/2018 seeking accreditation by National Board of Accreditation in Tier-I format to UG Engineering programs offered by Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510.

2. An Expert Team conducted on-site evaluation of the programs from 12th-14th July, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

2.	Mechanical Engineering		Accredited		

*Observations made during the course of evaluation are indicated in annexure to this letter.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for three years. Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510 should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510 as a whole. Sub: - Extension of Autonomous Status to Sri Indu College of Engineering & Technology, Sheriguda (V), Ibrahimpatnam (M), Ranga Reddy Dist, Telangana-501 510 affiliated to Jawaharlal Nehru Technological University, Hyderabad

Sir/Madam,

This has reference to the proposal submitted by Sri Indu College of Engineering & Technology, Sheriguda (V), Ibrahimpatnam (M), Ranga Reddy Dist, Telangana-501 510 affiliated to Jawaharlal Nehru Technological University, Hyderabad for extension of autonomous status under the UGC Scheme for Autonomous Colleges.

As per the decision of the Standing Committee constituted by University Grants Commission, in its meeting held on 16.12.2020, the Competent Authority has decided to extend the autonomous status to **Sri Indu College of Engineering & Technology, Sheriguda (V), Ibrahimpatnam (M), Ranga Reddy Dist, Telangana-501 510 affiliated to Jawaharlal Nehru Technological University, Hyderabad** for a period of Five (05) years from the session 2020-2021 to 2024-2025, as per provisions of Clause 3.13 and Clause 6.5 of UGC Regulations dated 12.02.2018.

The University is requested to issue necessary notification/order regarding extension of autonomous status to the College as per the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2018 for Autonomous Colleges. The College, if eligible, shall apply for autonomy grant as per the norms laid down in the Regulations.

The Autonomous College is required to abide by all the provisions of the UGC Regulations for Autonomous Colleges. The Regulations are available on the UGC website, www.ugu.ac.in. Non compliance of the requirements and conditions in the said Regulations shall attract action as per Clause -14 of the UGC Regulations - 2018. Further, it may be noted that the above said college shall also apply in the prescribed format to University Grants Commission for extension of autonomous status six months prior to the expiry of the autonomous cycle.

Yours faithfully,

(Surender Singh)

EXPERIENTIAL LEARNING QUALITY EDUCATION AT GLA UNIVERSITY

GLA University is known for its academic excellence that provides experiential learning to develop and promote innovation, and entrepreneurship, and to inform and disseminate knowledge for nation building and solving global problems. The University's Institute of Engineering and Technology, a prominent institution, offers engineering degrees to students pursuing undergraduate, postgraduate, and doctorate programmes. It is recognized by the University Grants Commission (UGC), NCTE and Pharmacy Council of India. It has been accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' Grade. The undergraduate engineering programmes, namely B. Tech in Computer Science, Mechanical, Electronics and Communication, Electrical, Civil have engraved an accolade owing to the commitment of the University's management. More than 960 students from a variety of programmes have got placed in reputed organizations like TCS, Wipro, Microsoft Corporation, Infosys, Accenture, Capgemini, etc. In the academic session of 2021-22, a multitude of reputed organizations visited the university for conscripting undergraduate engineering students like Amazon, Tata Power, Tata consulting engineering, Orange Business Solution, JSW Group, Adani Group, Afcorns, VMware Software, Silicon Labs Inc. Zscaler, etc. Furthermore, guest lectures are a vital source of sharing the experiences of industry stalwarts. Some of the commendable focal points include research-oriented learning and academic rigor through case analysis, simulation exercises and role-plays. Pupils are given comprehensive knowledge of business facets through summer internships, research projects and business plan preparations. Interestingly, students get an opportunity of stepping into the world of Entrepreneurship by IEDC Cell. This cell appreciates and promotes novel ideas, provides financial aid and facilitates patents. The University has qualified and experienced faculty members with corporate and global exposure. The students visit prestigious institutions like IIM Indore, IIT Bombay, IIT Roorkee, and IIT Indore, participate in various activities and bring laurels to their respective departments. The trilogy of international tie-ups, industry tie-ups, and academic tie-ups bring excellence to students' global exposure and growth. Several collaborations have added feathers to the University's enviable excellence. The students get experiential learning and practical exposure through cor-

porate interactions and visits. They also focus on holistic personality development and give strong emphasis on communication skills. The engineering programme has been running for more than a decade and comes with the much-relevant Choice Based Credit System. The alumni of the programme have done very well in academics, corporate and business. Many of them studied in India and abroad at prestigious universities like Cardiff University and the University of Birmingham. Distinguished alumni include Indian Administrative Service (IAS) Officers, Indian Police Service (IPS) Officers, Indian Revenue Service (IRS) officers, Indian Space Research Organisation (ISRO) scientists, and officials in the Ministry of Communication and Technology, etc. Many of the alumni are working in renowned multinationals like Torry Harris, Vodafone, Synusore, Renault Engineering Design, etc. B.Tech in Computer Science (CS) offers project-oriented education. B.Tech in Mechanical Engineering, B.Tech in Electrical Engineering, and B.Tech in Electronics and Communications are the core branches. They cater to those who intend to go into Govt. Sector or join corporate. The University supports the students in preparing for exams like GATE, IES, AS, etc. and job-oriented exams such as IBPS, SSC, Railways, etc. Students can avail the golden opportunity of preparing for exams like NTPC, IOCL, HPCL, ONGC, GAIL, BHEL, etc. through sessions on verbal ability, quantitative ability and reasoning skills. Moreover, students gain extensive insights into computer languages along with a blend of management concepts. Besides, pupils are provided with an exposure to practice practical-oriented learning along with the advanced course curriculum and a wide choice of specialization. Other professional programmes such as B.Tech with specialization in IBM courses in Artificial Intelligence, Internet of Things, Data Analytics, Cyber Security, etc. are also offered at the undergraduate level. Those opting for these programmes get exposure to the advanced technology employed by the industries. Collaboration with IBM, Texas and Dymech not only hones the technical skills but also gives them expo-

Advanced emerging technologies and industry needs Engineering Excellence at Apeejay Stya University

The School of Engineering & Technology (SOET) at Apeejay Stya University (ASU) focuses on a Liberal Arts approach aligned with advanced emerging technologies and industry needs. It offers Bachelors to Ph.D. programmes, focusing on hands-on experience and industry relevant skills. Some of the new courses' features include IoT, cloud computing and artificial intelligence. Seamless industry interfaces and practical experiences ensure that Engineering graduates from ASU get the best of jobs, amply reflected in the placement record and entrepreneurial successes of its graduates. With a deep focus on research and industry outcomes, students get a first-hand exposure to cloud computing, artificial intelligence, big data, research data as also global exposure through a tie-up with Oracle WDP.

Students are regularly provided industry-based training/ internships. SOET has established a Design and Innovation Centre (DICE) for faculty and students which actively works with industry. It has modern infrastructure and a renowned faculty with industry experience. New and well-established programmes include a 4 year Bachelor of Technology in Computer Science & Engineering (cloud computing and artificial intelligence in collaboration with Oracle Workforce Development Partner). Expert training is given by Oracle authorised trainers at the University Campus. It also facilitates

global digital content from Oracle leading to professional training completion certificates from Oracle. SOET also offers Doctoral programme (Ph.D.) in Computer Science & Engineering/Electronics & Communication Engineering. SOET has been Ranked 8th in North India by Times Engineering Institute Ranking Survey 2021. It has also been recognised by the Institution Innovation Council (IIC) approved by the MHRD and Incubation Centre approved by MSME. It is also the recipient of a grant sanctioned by Armament Research Board (DRDO). SOET ensures that engineering students pick up the essential career skills in project management, cost-effectiveness, quality assurance, communication and decision making to enhance employability and entrepreneurial skills.
