Sri Indu College of Engineering & Technology

An Autonomous Institution Under UGC

Recognized under 2(f) and 12(B) of UGC Act 1956

NAAC & NBA Accredited, Approved by AICTE and Permanently affiliated to JNTUH, Hyderabad.

Cell No: 9347306999, 9347363999, 7093703888, 9347353999 - www.sriindu.ac.in

Estd.: 2001

EAMCET, PGCET & ICET Code : **INDU**

An ISO 9001 : 2000 CERTIFIED COLLEGE

CAMPUS PLACEMENTS ORIENTED INSTITUTION

Facing Main Road, Sheriguda(V), Sagar Road, Ibrahimpatnam, R. R. Dist. 501 510

Head Office: Loyola Montessori House, Near Ganesh Temple, Vanasthalipuram, Hyderabad.

CHAIRMAN'S MESSAGE

I strongly believe in the message given by Swami Vivekananda where he defines that "Education is the life-building, man-making character-making, assimilation of ideas". It is from this perspective, as the Chairman of Sri Indu Group of Institutions, I have been striving hard towards making this Group as better academy by providing its community of students and teachers with innovative, challenging ways to think about what they are doing and by allowing them to figure out the best ways to accomplish their goals. During the past four decades, there has been a phenomenal expansion of technical education facilities in the country. The growing body of scientific and technical knowledge and its repeated obsolescence call for more frequent occupational updating. Education has to be provided to all, at the same time the quality of education has to be maintained, irrespective of the quantitative expansion of study.

It gives me immense joy to affirm that Sri Indu group of institutions, having completed 43 years successfully, has grown into one of the best institutions and rated as one of the leading Groups in Hyderabad, Telangana State. Sri Indu group of institutions is a multi-campus academic units spread over Vanastalipuram, Vaidehi Nagar, Sheriguda in Hyderabad and three more Academic Institutions in Dubai, Doha and Wukair, thus making this Group an Academy of International rank and grade. While Vanasthalipuram campus houses Loyola Group of Schools, established in 1979, Vaidehi Nagar campus accommodates PG College and Sheriguda campus provides accommodation for Two Engineering Colleges, One College of Pharmacy and One PG College MBA (OU).

One of our Engineering Institutions in Sheriguda , SICET is an Autonomous Institution under UGC, Recognized under 2(f) and 12(B) of UGC Act 1956, approved by the All Indian Council of Technical Education (AICTE), Accredited by NBA and NAAC and an ISO 9001:2000 Certified College and Permanently Affiliated to JNTUH.

Engineering education has become synonymous with a better standard of living. Besides the acquisition of technical skills, the need of getting oneself familiarized with soft skills like communication skills, organizational skills, crisis management skills, public relations skills etc. has gained appreciable momentum. I am striving very hard to mould Sri Indu Group as the model Institutions in not merely getting the students prepared for the potential job market but also instilling in them much needed enthusiasm even to work for the nation to meet the social aspirations of our country. I strongly believe that the engineers of today, by their innovative ideas, with their problem-solving attitude and, of course, with the humanitarian bent of mind, can establish a better world where people of all nations may live in harmony and peace. By and large, I express my deep sense of commitment for the overall development of the student community of Sri Indu Group of Institutions.   **Sri. R. Venkat Rao, Chairman**

CONTENTS

Education must be conceived as an interdisciplinary concept as a factor of multidimensional development, of which, man is both the end and the instrument. Education so conceived helps in continual growth of personality, steady development of character and qualitative improvement of life. More and more objective and scientific methods of quality determination and evaluation have to be adopted in institutions of higher learning. This can be achieved under the guidance of a competent, qualified, experienced and responsible head of the institute.

It gives me immense pleasure and I feel proud in stating about Sri Indu Group of Institutions which have completed 40 years successfully under the leadership of its Chairman, an eminent academician, who always operates with a vision towards development of an institution. He is as much instrumental as the engine of train.

Our laboratories are well-equipped with state-of-the-art equipment and all the computers in the campus are equipped with high-end configuration, Wi-Fi enabled Campus and the internet facility. The most modern and high-tech Central Library with national and international journals and magazines, online journals like IEEE, ASME and J-Gate certainly create a congenial ambience for an ideal engineer in the making to grow.

I am really happy that despite slowdown of economy, Sri Indu has succeeded in bringing various good companies of its campus for placements. Sri Indu Group believes in bridging the gap between Industry and Research of the students who joined so as to make them apt for facing the challenges of industry and society

Sri. R. Anup Chakravarthy, Secretary

		The Following prestigious institutions are established and serving for the cause of technical and non technical education
1	1979	Loyola Model High Schools (Primary wing)
2	1980	Loyola Model High Schools (High School wing)
3	1988	Loyola Model Jr. College
4	1990	New Loyola Model Degree College
5	1991	New Loyola Model PG College
6	1992	Loyola Montessori House (Play Schools)
7	1993	New Loyola Law College
8	1997	Sri Indu College of Education (B.Ed)
9	2001	Sri Indu College of Engineering & Technology
10	2001	Sri Indu PG College (MBA & MCA)
11	2003	Sri Indu Institute of Management (MBA & MCA)
12	2004	Sri Indu Institute of Pharmacy
13	2006	Sri Indu Institute of Engineering & Technology (Formerly RVR)
14	2012	Loyola International Schools (DOHA & WUKAIR)

COURSES OFFERED

B.Tech.:

Civil Engineering	Artificial Intelligence and Data Science
Electrical and Electronics Engineering	Data Science
Mechanical Engineering	CSIT
Electronics & Communication Engineering	Cyber Security
Computer Science & Engineering	Internet of Things (IOT)
Information Technology	**M.Tech.:** CSE & Embedded Systems
Artificial Intelligence and Machine Learning	

PRINCIPAL'S MESSAGE:

It gives me immense pleasure to note that the Newsletter of SICET (Volume-3 Issue-1 January-June 2022) is being released. It projects and showcases the multifarious activities of the college in pursuit of achieving the excellence in technical education and fulfillment of mission. I am happy to learn that the newsletter is highlighting the activities of the college. I congratulate the staff and students for the achievement. I wish that everyone continue their untiring efforts to grow to further high standards and congratulate all the editorial members for releasing this newsletter. The college creates a highly competitive and collaborative environment to innovate, initiate, pursue many student-centered activities that enhance leadership skills and increase knowledge base, out of classroom also.

Dr. G. Suresh
Principal
B.E.,M.E.,Ph.D.
ISTE(LM),IETE

Vision of the Institute

To be a premier Institution in engineering & technology and management with competency, values and social consciousness.

Mission of the Institute

IM$_1$: Provide high quality academic programs, training activities and research facilities.

IM$_2$: Promote continuous industry-institute interaction for employability, entrepreneurship, leadership and research aptitude among stakeholders.

IM$_3$: Contribute to the economical and technological development of the region, State and Nation.

PROFESSIONAL MEMBERRSHIPS IN SICET

- ❖ **IEEE** - Institute of Electrical and Electronics Engineers
- ❖ **ASME** -American Society of Mechanical Engineers
- ❖ **CSI** - Computer Society of India
- ❖ **IETE** - Institution of Electronics and Telecommunication Engineers
- ❖ **ISTE** -Indian Society for Technical Education
- ❖ **DELNET** -Developing Library Network
- ❖ **NDL** - National Digital Library of India
- ❖ **NLIST** - UGC e-ShodhSindhu Consortium
- ❖ **JGate** -J-Gate Engineering and Technology

MOOCS

- ❖ SWAYAM NPTEL Local Chapter
- ❖ COURSERA Campus Programme

ACHIEVEMENTS:

- 1559 placements in the academic year 2021-22.
- Accredited by NAAC.
- Accredited by NBA under Tier-1.
- Received Certificate of Recognition in the band "**PROMISING**" under the category Colleges/Institutes (private/self financed/Technical) in All India **"Atal Ranking of Institutions on Innovation Achievement(ARIIA) 2021" a flagship program of the Ministry of Education, Govt. of India on 29th December 2021.**
- Collaboration with CISCO Networking academy.
- Collaboration with ServiceNow & SAP students Training Partner.
- College is recognized as an Active Local Chapter by SWAYAM NPTEL, IIT Madras in 2022.
- 298 Faculty and Students received SWAYAM-NPTEL Certification from IIT's and IISc.
- Sri Indu Practice hub bagged 1st Prize by AICTE from Telangana State for startup and Mentorship Program.
- Received Appreciation certificate for waste Management from ITC Group.
- 5735 MOOC online certificate courses completed from COURSERA by Faculty and students from reputed foreign universities.

SALIENT FEATURES OF INSTITUTION

- Established in 2001 with Excellent Infrastructural facilities, just 14 kms away from LB Nagar & 3 kms from Outer Ring Road.
- Approved by AICTE & Permanently affiliated to JNTUH, Hyderabad.
- An Autonomous Institution recognized Under 2(f) and 12(B), of UGC Act 1956.
- ISO 9001 : 2000 Certified College.
- NAAC & NBA Accredited.
- Institute headed by top-notch professors with more than 31 years of teaching, research and administrative experience.
- College posses highly qualified and dedicated staff.
- Available of high-speed internet facility including WiFi.
- College has acquired institutional membership of IEEE, ASME, CSI, ISTE, IETE DELNET, UGC N-LIST, NPTEL and NDL.
- Institute's R & D Division developed its innovative products designed and fabricated by its students
- English Communication Skills lab with state of the art equipment.
- Organizing Guest Lectures/Conferences/Seminars/Webinars as part of co-curricular activities by inviting renowned academicians and industry expert.
- Organizing Personality Development Programmes/Self empowerment Programmes and CRT Classes for 2nd, 3rd and 4th years.
- Value added Certification Training Programmes like AWS, ServiceNow, Salesforce, Cisco, SAP and Orcle.
- Sterling performance in GATE, TOEFL and GRE.
- Promotion of true Sportsman spirit among the students by organizing extracurricular activities
- **10th Rank** in **Top 25 Private Engineering Institutes** Ranking in Telangana by Times of India Survey-2021.
- **8th Rank in Research Capabilities,** Top10 Telangana Private Engineering Institutes by Times of India Survey-2021.
- **7th Rank** in **Best Infrastructure,** Top10 Telangana Private Institutes by Times of India Survey-2021.

MoUs Signed with the following MNCs/Industry/Institutions.

SAP, Cisco, AWS, ServiceNow, Salesforce,TASK, ECIL, Infosys Campus Connect, Robonincie Technology, oCubes, Conscience Technology, Swarnim Gujarath Sports University, IDEA Labs for Skill upgradation of Students and Faculty, Wiley-NXT, IMPARTA, AMCAT, Ramtech, Vedi School of VLSI Design, Mic Tech Center, Anac Solutions, Society of Mechanical and Automotive Engineers (SAME)Unistring Tech and EKEEDA Digital Library E-Resources.

TRAINING & PLACEMENT CELL

Striving for 100% placements is the leading motto of the Training and Placement Cell. The trainers have more than a decade of experience in understanding the training requirements of undergraduate students and designing program to help students attain career success. Started in response to an emergent need the T&P Cell aims to bridge the gap between the requirements of the corporate and the skill sets that the students acquire during college.

The Goal of Training & Placement Cell of Sri Indu is to be a liaison between Industry and students to provide employment opportunities available in the market and to provide intensive training to the students for their overall development. The institute has provided complete well infrastructure for effective functioning for conducting various activities, which are being undertaken regularly like placement of the students and development programs.

CAMPUS RECRUITMENT TRAINING- CRT

Campus Recruitment Training (CRT) is to aid candidates in their preparation for Recruitment through Campus or outside campus. Program which is exclusively designed for the students preparing for recruitment and is geared towards ensuring that the students are well equipped to get through the recruitment process of various IT and NON-IT companies. Daily training sessions for the students by the CRT and regular practice on Soft Skills, Quantitative aptitude, & Mock Interviews, Group Discussions, Reasoning Logical & Analytical , Personality Development Skill, Speaking Communication Skill, Personal Interviews Presentation skill and Resume Preparation. The program has different modules for preparing the job aspirant to tackle the interview process like: Written Test and Aptitude test, Company specific Comprehensive Tests, Guidance about the selection processes which are followed by various companies.

CRT Training Session

Students Practicing Online Examinations for Campus Placements
INFOSYS CAMPUS CONNECT

Campus connect launched by Infosys is a unique academia –industry Initiative to "architect the education experience. It conducts "**Train the Trainer Program**" on various technologies including Foundation level Advanced and soft skills. Infosys provides training to Faculties and Students so that they can equip students for placement Drives.

SOFT SKILLS TRAINING

In the present world largely driven by service industry, soft skills are much sought after, especially by IT companies. Very often recruiters, because of absence of these skills reject majority of the candidates. As we are all aware, the undergraduate years coincide with the most impressionable age of the students where their attitudes are developed and preference & interests formed. Therefore before stepping into the world of work students require proper initiation and the right personality. Personality enhancement program at our college are thus exclusively designed to prepare entrepreneurial, learnable and employable students.

GUEST LECTURES/ FDPs/SEMINARS/WORKSHOPS

Guest Lectures from various Institutional and Industrial Experts in the various fields were organized by departments for in-depth understanding of the subjects.

One Day Workshop -Drone & RC Plane Design conducted on 22-04-2022 by TLC Group

Awareness Programme on Indian Space Programme organized on 08-06-2022. Speaker Dr. G.Venkata Narayana, Deputy Project Director GSLV Mk-III Project , Vikram Sarabhai Space Centre, ISRO

Organized a Seminar on Higher Education, Speaker Rebecca Keha, International Admissions and Recruitments, California State University on 28-06-2022
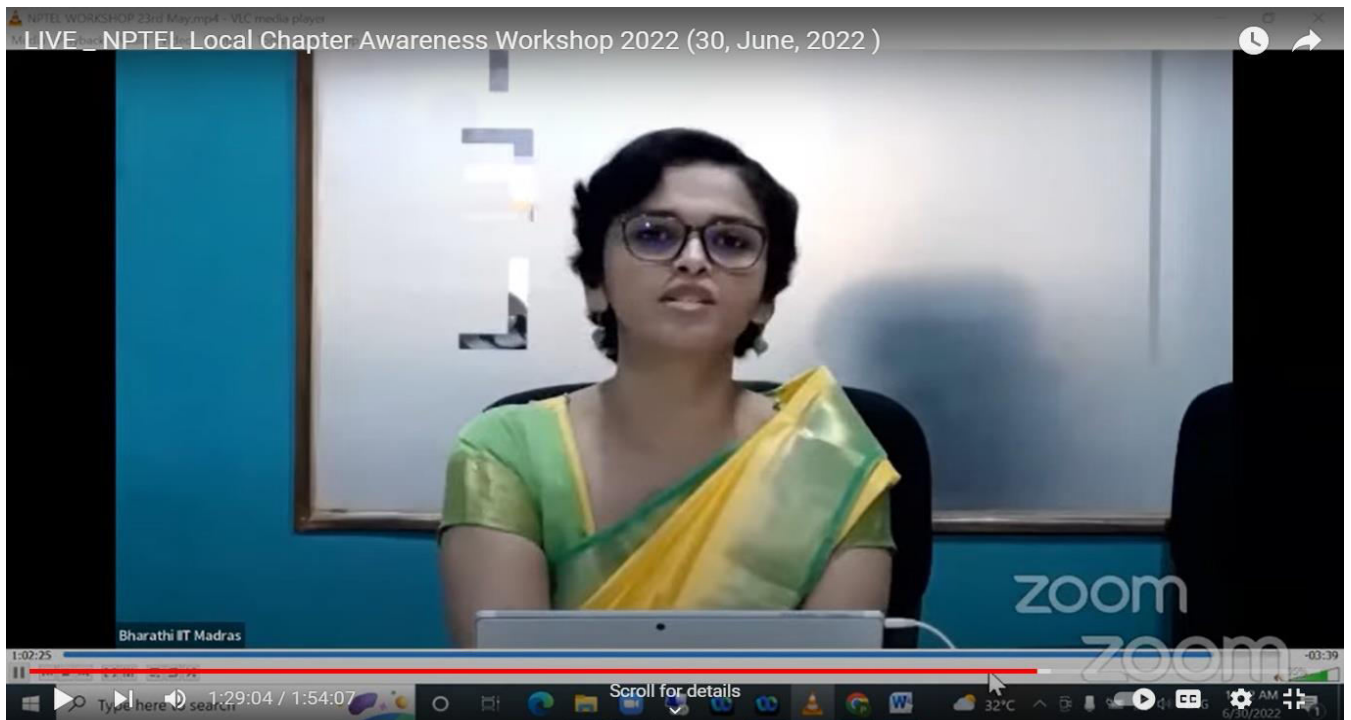

Organized NPTEL Local Chapter Awareness E Workshop Programme on 30-06-2022 in association with NPTEL IIT Madras, live stream in YouTube - Resource person Mrs. Bharathi, Project Director, NPTEL IIT Madras,

INDUSTRIAL VISITS

The College has organized Visits for Students and Staff to MNCs and Industries viz Deloitte, Infosys, BHEL,ECIL and other Industries to gain real time and practical knowledge in their disciplines. The students were briefed about the campus and innovations in upcoming technology.

NUCON AEROSPACE

NATIONAL REMOTE SENSING CENTRE, JEEDIMETLA, HYDERABAD ON 16 Jun 2022.

START-UP & INNOVATION

Sri Indu College of Engineering and Technology (SICET) formed "Start-up & Innovation Cell" with an aim to create an integrated, college and university-based innovation ecosystem to support innovations and ideas of faculty members and young students and provide a conducive place and environment for optimum output of their thoughts and creative ideas.

The Entrepreneurial vision, defined by discovery and risk-taking, is an indispensable part of a nation's capacity to succeed in an ever-changing and fiercely competitive global marketplace. A Start-up & Innovation Cell has been established at our institute to support this vital need of the present times.

The Start-up & Innovation Cell aims to provide a platform for the convenient merger of innovative and entrepreneurial efforts. The idea is to foster and facilitate innovation and entrepreneurship among the faculty and students through mentoring, training and financing. The thrust is on innovation and incubation so as to transform a seemingly simple and novel idea into a marketable product and thus help an innovator of today to become an entrepreneur of tomorrow.

SOCIAL OUTREACH ACTIVITIES

Awareness Programme conducted on Wet and Dry wastage by GHMC on 10-03-2022

Entrance Exam initiated by Rachakonda Police Department and conducted in Sri Indu Institution. Commissionar of Police droping in during exams

TECHNOSTAV - 2022

Every year department is conducting "TECHNOSTAV" program. It is the Technical Fest where entire college students (all four years) shall be participating in various Technical and other innovative events. In this fest students prepared the stalls to demonstrate their own developed modules, some funny events like gaming, competition based events also conducted. Non technical events like "flashmob "dance, Musical chairs, Circle Cricket, College Radio etc., successfully conducted by students on 14-05-2022.

In this "TECHNOSTAV" "National level Technical Symposium" (Paper Presentation) conducted all colleges students can participate. It improves the student's skills in acquiring knowledge on different aspects, Increases the students innovations and ideas with various strategies.

FACULTY ACHIEVEMENTS

PUBLICATIONS

- Dr. G. Suresh, Professor, published an article on "DETECTING GENE SEQUENCE OF RECURRENCE CERVICAL CANCER INTERPOLATING BIOMEDICAL SENSORS" in Elsevier, February 2022.

- Mrs. Kalapana Ragutta, Mrs.R.Likhitha and Mrs. B.Neeraja Asst. Professors published an article on "SEPARATION OF EYE FUNDUS IMAGES BY COMBINING CONCENTRATION IN DIABETIC RETINOPATHY" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367, Page No: 345,February/2022.

- Mr. Suresh Ballala, Mrs.B.Hemavathi and K.Sravani Asst. Professors published an article on "FPGA Implementation of Fuzzy PID Controllervfor Transportation on the Internet of Vehicles" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367, Page No: 609,February/2022.

- Mr. Prashant Pise, Mr. A.Venu and Mr. S.Narasimhulu Asst. Professors published an article on "Channel Prediction for Millimeter Wave MIMO-OFDM Communications in hastily Time-varying Frequency Selective-Fading Channels" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367,Page No: 142, February/2022.

- Mr. Polagoni Srinivas, Mr. A.Venu and Mr. E.Parusharamu Asst. Professors published an article on "Scheduling of Energy Harvesting for MIMO Wireless Powered Communication Networks" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367,Page No: 724,February/2022.

- Mr.M.Sudhakar, Mr.S.Upendar and Mrs.D.Jyothi Asst. Professors published an article on "Design and Development of Precision Agriculture System Using Wireless Sensor Network" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367, Page No: 826,February/2022.

- Mr.Abdul Kajapasha, Mrs.G.Sravanthi and Mr.G.Rajkumar Asst. Professors published an article on "IOT Based Toll Booth Manager System" in The International journal of analytical and experimental modal analysis, Volume XIV, ISSN NO:0886-9367, Page No: 340,February/2022.

PATENTS: – FILED AND PUBLISHED

- Dr. G.Suresh, Professor Invented on "A System and A Method for Real time Dynamic Traffic Management by the utilization of GPS and IOT" Application Number 202141061430A, published on 14-01-2022 in IPR India.

- Dr.P.Mukunthan, Dr.J.Martin Sahayaraj, Dr.N.Tamilarasan, Dr.N.C.Sendhilkumar and Dr.N.Subash Professors Granted a Patent on "An Internet of Things based COVID spread Prevention system and its method thereof" Application Number 2021104215 date 23-03-2022 in Commissioner of Patent, Australia.

- Dr. Tamilrasan, Professor published "A comparative study to analyze the impact of nano materials and their Energy Delivery to the solar panels" Application Number 202241014156 on 01-04-2022. In IPR India.

The following faculty Received AICTE-NPTEL FDP Certificates for Jan-April 2022

S.No	Name	Designation	Course Name
1	Mr.Kanugu Ram Mohan Rao	Assoc. Prof.	Computer Networks and Internet Protocol
2	Mrs.Prathyusha V	Asst. Prof.	Computer Networks and Internet Protocol
3	Mrs.Sandhya Bolla	Asst. Prof.	Computer Networks and Internet Protocol
4	Mrs.K.Sravani	Asst. Prof.	Computer Networks and Internet Protocol
5	Mr.Polagoni Srinivas	Asst. Prof.	Computer Networks and Internet Protocol
6	Mrs.Swathi Singanaboina	Asst. Prof.	Computer Networks and Internet Protocol
7	Mrs.Pasula Mamatha	Asst. Prof.	Computer Networks and Internet Protocol
8	Mrs.Udayasri Pabbu	Asst. Prof.	Computer Networks and Internet Protocol
9	Mrs.D.Sandhya Rani	Asst. Prof.	Introduction to Internet of Things
10	Dr.P.Ramesh	Asst. Prof.	Introduction to Internet of Things
11	Mrs.K.Shwetha	Asst. Prof.	The Joy of Computing using Python
12	Mrs.Swetha P	Asst. Prof.	Introduction to Industry 4.0 and Industrial Internet of Things
13	Mrs.Swetha P	Asst. Prof.	Introduction to Internet of Things

The following faculty Received SWAYAM-NPTEL MOOCs Certificates for Jan-April 2022

S.No	Name	Designation	Course Name	Certificate Type
1	Mr.KANUGU RAM MOHAN RAO	Assoc. Professor	Computer Networks and Internet Protocol	Successfully completed
2	Dr.P RAMESH	Professor	Introduction To Internet Of Things	Elite
3	Mrs.PRATHYUSHA V	Asst. Professor	Computer Networks and Internet Protocol	Elite+Silver
4	Mrs.SANDHYA BOLLA	Asst. Professor	Computer Networks and Internet Protocol	Elite
5	Mrs.D SANDHYA RANI	Asst. Professor	Introduction To Internet Of Things	Successfully completed
6	Mrs.K SRAVANI	Asst. Professor	Computer Networks and Internet Protocol	Elite
7	Mr.POLAGONI SRINIVAS	Asst. Professor	Computer Networks and Internet Protocol	Elite
8	Mrs.Swathi Singanaboina	Asst. Professor	Computer Networks and Internet Protocol	Elite+Silver
9	Mrs.SWETHA P	Asst. Professor	Introduction To Internet Of Things	Successfully completed
10	Mrs.PASULA MAMATHA	Asst. Professor	Computer Networks and Internet Protocol	Elite
11	Mrs.UDAYASRI PABBU	Asst. Professor	Computer Networks and Internet Protocol	Successfully completed
12	Mrs.ARUKONDA VENU	Asst. Professor	Computer Architecture	Successfully completed
13	Mrs.SWETHA P	Asst. Professor	Introduction To Industry 4.0 And Industrial Internet Of Things	Successfully completed
14	Dr.P Epsiba	Professor	Cloud Computing	Elite+Silver
15	Dr.P Epsiba	Professor	Python for Data Science	Elite
16	Mr.Prashant Pise	Professor	Computer Architecture	Elite

Hands on Training of Python to CSE Students from Scratch to Advanced Level

Students Attended Pre Interview session by HR

Students Selected in Campus Placements

INDUSTRY VISIT

Students Selected in Infosys

SOFT SKILL TRAINING PROGRAMME

Quantitative aptitude, Reasoning - Analytical, Logical, Verbal ability - Vocabulary, Grammar, Reading – Comprehension, Goal setting, Group Discussion Skills, HR Interview skills, Resume preparation & Drafting Job application and Spoken / Communicative English

FACULTY ACHIEVEMENTS:

PUBLICATIONS:

- **Dr. C.Kotteeswaran, Professor published an article on "**Autonomous detection of malevolent nodes using secure heterogeneous cluster protocol" in JCEE, Volume 100, May 2022.

- Dr.Vijaya Rangam, Professor published a article on "High Sensitive IoT Nanotechnology Sensors for Improved Data Acquisition and Processing" in IEEE, April, 2022, pp. 617-621, doi: 10.1109/ICEARS53579.2022.9752333.

- Dr.K. Gunasekaran, Dr. S. S. Raghavan Professors, published an article on "A Deep Learning Framework for Earlier Prediction of Diabetic Retinopathy from Fundus Photographs" in BioMed Research International, Hindawi, Volume 2022, Article ID 3163496, June, 2022

- Dr.Charan Singh, Professor, Invented a Patent on "INTELLIGENT VOTE CASTING METHOD TO PREVENT THE FAKE VOTING AND IMPLEMENTATION OF AUTOMATED POLLING SYSTEM USING RASPBERRY PI" Application Number 202241000543 A, date 14-01-2022, in IPR India.

- Dr.Vijaya Rangam, Professor, Invented a Patent on "Machine Learning Based Model to Predict the Characteristics of Next Generation Based on DNA Sequences" Application Number 202211013212, date 18-03-2022 in IPR India.

- DhurgaDevi M., Sakthivel Perumal, Gunasekaran K., Arunkumar S. P., Thilak V. M. M. Professors published a book chapter on "Analyzing the 6G Technology: A New Evolution of Wireless Communication", in IGI Global Publishers, ISBN13: 9781799896364, on march 2022.

2	The Joy of Computing using Python	baikani vamshi	student	20D41A6903	Elite

MENTOR AWARDS

➤ Mrs. G. Uma Maheswari, Asst. Professor received Mentor Award from NPTEL for the course The Joy of Computing using Python, for the year January- April 2022

➤ Mrs. Swetha, Asst. Professor received Mentor Award from NPTEL for the course The Joy of Computing using Python, for the year January- April 2022

DEPARTMENT OF MECHANICAL ENGINEERING

Organized World Earth Day on 22-04-2022. Professor Dr. P.Mallesham delivered valuable message on the occation of Earth Day along Dr.G.Suresh, Principal and Administrative officer Mr. Sathyanarayana and CIVIL HOD Mr. Rajendra Babu on this significant day, ME HOD Mr. M.Srinivas Rao presented vote of thanks

Oath taking on Earth Day 22-04-2022

**Prize distribution**

Faculty Achievements

MOOCs :

➢ Mr. Ravi Lakkoju, Asst. Professor, Completed SWAYAM NPTEL MOOC Certificate on "Engineering/Architectural Graphics-Part-I Orthographic Projection", with Elite in February-April 2022.

➢ Mr. Kollapuram Vijaya Kumar, Asst. Professor, Completed SWAYAM NPTEL MOOC Certificates on "Engineering/Architectural Graphics-Part-II Orthographic Projection" with Elite+Silver and Engineering/Architectural Graphics- Part-1 Orthographic in February-April 2022.

CENTRAL LIBRARY

Library established separate building in the carpet area of 2500 sq-mts., is the backbone of our institute. It can accommodate300 readers at a stretch. We have a collection of more than 42207 volumes & 7058 titles, college has subscribed National, International Journals, Magazines, Technical Magazines and newspapers. Study materials for the competitive examinations such as **TOEFL, GRE, IELTS, CIVILS,GATE and UGC NET/SET** have also been provide in the Library.

Central Library has a well equipped Digital Library with more than 55087 e-books. It has **IEEE, J-Gate Engineering & Technology, DELNET, UGC N-List, National Digital Library and SWAYAM PRABHA** facility under which various library sources around the world are shared. It being apart, MIT(USA), IITs' NPTEL and Video Courses have been installed in the Digital Library to inculcate the research oriented thinking among the students.
