Dear Sir,

Greetings From ExcelR!

As per our discussion, I am forwarding the **MoU softcopy** for student Training, and a **PDF that gives deep-dive insights into Everyday Learning program**.

ExcelR, one of the leading global training companies in collaboration with NASSCOM, is offering **free training** on technical courses for students under their "**Everyday Learning (EDL)**" program.

Program Objectives:

- Application-oriented training for Students and Faculty **from industry experts**.
- Hands-on knowledge of the industry-needed technologies.
- Help the colleges in fulfilling some of the **NAAC/NBA requirements**.

Our Offerings:

- **Professional Training on 15+ Technologies** for more than 30 hours.
- **Assignments, Tests, and session-wise Feedback**.
- **Projects/Internship**.

Fri, Feb 25, 2022 at 2:09 PM

Greetings from **Universal Tribes**,

We hope you are doing well and taking the necessary precautions to fight COVID-19. This email is with regard to the **Universal Tribes** conducting an internship drive.

We at **Universal Tribes** take immense pleasure to share with you that Universal Tribes was Established in 2017, to create a pavement of opportunities towards the welfare of tribal art, we ensure a platform for our tribal community to flourish in their artistic talents. We, at Universal Tribes, have designed a wholesome working structure and environment to showcase the efforts, passion, and tremendous capabilities of the tribal community. We motivate artists to rise and shine in their respective art and add to the betterment of society. We aim to create a global identity.

We are providing Internship Opportunities for your students that will give them Real-time exposure in the following Domain.

1. Sales & Marketing Internship.

Having Interns from your college would be our pleasure and it will be a remarkable opportunity for the students of your college. We look forward to an affirmative response from your side and are eager to establish a fruitful association with your institution.

Kindly find the Job Description of the Internship opportunity in our company attached with this mail.

Regards,
Vardhini Rajkumar Rao
Assistant General Manager

Dear Member, ,

Greetings from ICT Academy!

Welcome Onboard **Sri Indu College of Engineering and Technology, Ibrahimpatnam**

We would like to introduce the member institutions dashboard which would facilitate the member institutions to get a better understand on their engagement with the academy. The dashboard will have access to the following :

1. Engagement reports of the institution with the academy
 - Membership Information
 - FDP Nominations

Activate Windows
Go to Settings to activate Windows.

MathWorks Sustainability and Renewable Energy Challenge!

2 messages

ICT Academy <partner-hub@ictacademy.in>

Thu, Aug 24, 2023 at 2:33 PM

Dear Sir/Madam,

Greetings from ICT Academy!

ICT Academy in association with MathWorks is excited to announce the **MathWorks Sustainability and Renewable Energy Challenge!** We invite you to submit innovative solutions to environmental challenges related to sustainability and renewable energy. Select a project from our list and submit a solution to be eligible to win up to \$1,000 (USD). Showcase your creativity and contribute to a more sustainable future! We request you to kindly encourage students to join the challenge. The challenge details are given below.

Challenge Details

Now to January 5, 2024: Register for a project
January 5, 2024: Submission deadline
January 30, 2024: Winners announced.

Prizes

First place – \$1,000 (USD)
Second place – \$500 (USD)
Third place – \$300 (USD)

How to Participate

1. Choose a project from the [Sustainability and Renewable Energy technology trends list](#) on the challenge projects hub.
2. Complete the project sign-up form accessible from the project's description page. If you already signed up for a project from the list, you can still participate by providing a solution within the submission deadline.
3. Upload your solution into a GitHub repository and share the link to the repository via the project submission form, which is also accessible from the project description page. Check the box indicating you agree with our [Terms and Conditions](#).
4. Submit your solution by January 5, 2024.

For further information regarding the challenge and judging rules, please click [here](#).

Regards,
Team ICT Academy

Thanks & Regards,

R. Venkateswar
Director - Campus Placement

Dear,

Greetings from google!

Thank you for participating in today's call and for your keen interest in the Google Cloud Curriculum. I completely understand if you were unable to attend the call. Please feel free to reach out if you have any inquiries or if you'd like to engage in further discussion.

I have attached the presented deck during our meeting with our various offerings and information. Please feel free to refer to the deck and the lesson plan. I have also added below the **onboarding process** (along with a gist of our TnCs) & **the next steps** for the program.

Onboarding Process

These are just high level program information for your understanding. More information about it will be shared once we start onboarding you.

1. Faculty and students will have to agree to receive communication and information from Google about the program.
2. Faculty and students will have to agree to Google tracking their progress in the program.
3. Faculty and students cannot barter or trade or commercialize the training credits provided by Google and those should only be used for their own training.
4. **How are faculty and students onboarded?**
 1. Before students can be onboarded, the participating faculty members will be required to complete their own training within **1 month**. They will receive credits from Google to take the training on Google Cloud Skills Boost (previously Qwiklabs).
 2. Faculty members will be given access to a Google form using which they have to select the student interest from their institution. (You can invite as many students here as you want)
 3. Students will be provided access to Qwiklabs credits using which they will be able to enroll in the course and attempt labs.

Next Steps

Please help nominate faculty POC from your institution. He/She will be my point of contact for any communications and driving this program at your institution.

If you have understood all the details, then please share the details of the faculty members participating in this program in the following format -

Name:

Designation:

Email Address:

Contact Number:

and we will start the faculty onboarding process.

Once it is available, please do provide us the below information :

- Curriculum integration method (To make it easy for you we have attached the lesson plan)
- Number of credits allotted
- Students who are enrolled belongs to which year and field
- Estimation number of students to be enrolled
- Course start and end date

In addition, herewith the link to our Google Cloud Skills Boost platform : <https://www.cloudskillsboost.google/> to perform the labs as part of this program. Also, you can find the lesson plan as attached to bring this into internal discussion and planning the implementation of this program.

1	EKEEDA Private Limited	Mrs.S.Vidhya, NASCOM Partnering Global Head	20.06.2022	170	3 Hours	Webinar on Emerging Technologies for Industry Scope

The image shows two presentation slides from a Zoom meeting. The left slide is titled "Digital Talent has become a mission critical priority for India" and features a large question mark graphic with four numbered points: 01. Technology pervades every aspect of work and leisure; 02. Digital fluency on new age technologies is required irrespective of what people do; 03. Professional skills are as critical as technology skills in the Future of Work; 04. Affordable, credible and trusted certifications are needed to bring them within reach of every learner. The right slide is titled "Emerging technologies: The game changer" and features a circular diagram with three numbered points: 01. Opportunity: India's trillion dollar digital economy; Digital Ecosystems can create \$1 trillion of Economic value & 65 million jobs in India by 2025; 43-45 million workers will require reskilling to be redeployed for these jobs; 02. Challenge: The Skills Gap is already quite wide; The demand for Digital Skills in India is 8 times of what is available & will rise to 20 times by 2024; 80% of engineers are unemployable for any job in the knowledge economy; 03. Solution: Massive thrust on skilling & upskilling of potential workforce is required; Gartner predicts that digital skills are in demand across all sectors & within roles that traditionally did not require them; Develop digital fluency & build skills through industry aligned certifications to be industry ready.

Dear Sir/Ma'am,

Greetings from Edifypath!

I hope you are doing great and staying healthy.

We are conducting workshops in many colleges PAN India on Artificial Intelligence, Deep Learning, Machine Learning, Prompt Engineering, Chat GPT, and internships. These workshops vary from 9 hours training to 15 hours with hands on industry relevant project work. These trainings are provided a team of industry experts lead by Mr. Deepak who is an Artificial Intelligence Researcher, and Sr. Data Scientist. He has 4 patents filed in India and Australia in the field of AI & ML.

We are looking forward to conduct a workshop on "**Prompt Engineering**." Our workshops can be done either online or offline, and price of the each workshop per candidate is 500 INR. Kindly let me know if this is under the interest of your college.

Also, we would like to collaborate with you to provide free training of Altair Engineering Inc.'s, Altair university certification courses and 12 months subscription of Altair student academic licence. Altair Engineering Inc. is an American Multinational Company, who is also one of our certification partner. All the workshop completion certificates are issued by Altair. Please find the request form attached to this email and kindly share the form after filling the details.

Please feel free to contact me at 9985118815 for any queries.

Thank you, **Stay Safe and healthy!**

Best Regards

K E Ajaya Varma,

Business Development Lead-Sales & Marketing

Edify Educational Services Pvt. Ltd

Phoenix Infocity SEZ, Hitech City-2, Hyderabad -500081, India

Mobile: 9513881188

Dear Sir/Ma'am,

Greetings from Edifypath!

We are an Ed-tech company focusing on up-skilling students, Graduates, and employees on Domain-specific courses. Kindly see "About us" and "Our key value Proposition" below. Also kindly find the attachments.

About EdifyPath:

EdifyPath is a hybrid e-learning platform that upskills students and technology aspirants to become industry-ready with the able assistance from our proficient subject matter experts.

- We offer you professional courses along with advanced training in Electric Vehicles, Big Data, Python, PySpark, SharePoint and Agile, etc., and many other upcoming domains specific courses irrespective of the industries.
- We are in accordance with the professionals to approve our qualitative educational services.
- We at EdifyPath collaborate with reputed universities, institutes, accreditation partners, and delivery partners to foster the way of learning and help individuals to master their crafts and excel in their fields.
- We cater to building up both the empirical and conceptual understanding for real-time problem-solving processes.
- We strive to provide outstanding products and deliver learning content in various formats through online mode.

Note: Kindly share the list of students who are suitable for the requirements. We request you to share the registration link to your students who are suitable and interested. Also Non-Commercial MoU should be signed with Edifypath to complete the hiring process.

Website: <https://www.edifypath.com/>

Currently we are hiring for the below of our Hiring Partner GSPANN Technologies.

Note for Colleges: Company is also looking for 2022 pass outs which shall be conducted after completion of 2020-21 batch process. Kindly confirm the graduation completion date of the students in order to plan the recruitment process for 2022 batch. Priority will be given to institutions with the highest number of candidates (2020-21 batch) who have applied for this drive.

About the GSPANN:

GSPANN is a growing services company. Based in Milpitas, CA, we are a global organization with footprints in more than 10 locations worldwide. We work on cutting-edge technologies, create solutions, and offer services on futuristic consumer technologies. We started operations in 2004 and are now a 1600+ strong family. For more details, please visit [www. Gspann.com](http://www.Gspann.com)

Please find the below Job description for freshers hiring and request to share the available list of candidates who are meeting the criteria.

10th June 2022

Dear Principal,

Job Fair 2022 for Persons with Disabilities | 18th June 2022 | 10:00 am to 2:00 pm

We are very excited to invite your students to our Job Fair which is meant for Persons with Disabilities. Empowering Persons with Disabilities is our mission in Youth4Jobs Foundation. We have multiple projects focussing on improving their livelihoods. Job fairs like these connect employers and potential candidates. The outcome is a win-win situation, employers benefit from the diverse workforce and candidates are empowered by economic independence.

Over the years, Youth4Jobs has tied up with several IT companies that hire persons with disabilities. We work closely with companies such as Capgemini, Accenture, Amazon, Cognizant, Infosys, HSBBC, HDFC, VMware, Microsoft, Google, Intel, and others for mentorship, projects, internships and jobs. Most of these jobs are well paid: the average salary for an engineering graduate is approximately Rs.2.5 LPA and for a non-engineering graduate is around Rs.2 LPA.

We have invited **15 companies** to this job fair which has a good mix of companies from IT, ITES, BFSI, Retail, and eCommerce sectors. We have secured over **200 jobs** to be offered to all potential candidates on this day.

We look forward to your participation in the job fair. Together we can make India more inclusive and poverty-free.

Venue: Aziz Function Hall, Red Hills, Lakdikapul, Hyderabad (TS) – 500457.

Dear Sir and Madam,

Greetings from TASK.

Just to re-emphasize- Edunet Foundation would like to work with clusters of colleges which have digital infrastructure . This will be useful for ease of implementation. Given the training duration, Edunet foundation would like to start as early as possible.

Please use the below link for TECHSAKHSAM PROGRAM

a. Registration link for institutions: <https://forms.office.com/r/s7Nys5H6dQ>

1. TECHSAKHSAM PROGRAM:

a. Program details: attached

b. Registration link for institutions: <https://forms.office.com/Pages/DesignPageV2.aspx?origin=NeoPortalPage&subpage=design&id=lu8GrdzVVUq0wcOhWPXr0to0&zDRm9KtoP7cU8ggotUMehJRDZQRDBONjAwNU1OWEJU09LSVBCVS4u>

2. NEXT GEN EMPLOYABILITY PROGRAM:

Dear Sir,

Subj: Consultancy Service- -Reg.

It is our great pleasure in having association with Sri Indu College of Engineering and Technology, Department of ECE for extending the technical support from your domain expertise for progressing the work on "An Intelligent Low Power Wireless based Hand Hygiene Recording and Reminding system for Hospital Environment".

As per the commitment the work was progressed well and we are satisfied with the support and service given by Dr.N.C. Senthilkumar, Professor/ECE. Hence, we are transferring the amount **Rs.1,80,000** (Rs. One Lakh and Eighty Thousand Only) to the PRINCIPAL, Sri Indu College of Engineering Technology through RTGS (UTR No: 000102480789 Dated: 25.01.2021).

We are thanking you for your support.
