18. Independent Contractor

Each party agrees and acknowledges that in its performance of its obligations under this Agreement, it is an independent contractor of the other party, and is solely responsible for its own activities. Neither party shall have any authority to make commitments or enter into contracts on behalf of, bind or otherwise obligate the other party in any manner whatsoever except as expressly stated in this Agreement.

19. Severability

If the provision of this Agreement is held to be invalid under any applicable statute or rule of Law, it shall be, to the extent, deemed omitted, and shall not affect the remaining clause and portions of this Agreement.

20. Waiver

No delay, omission, or failure to exercise a right or remedy provided for in this Agreement shall be deemed to be a waiver thereof or an acquiescence in the event giving rise to such remedy, but every such right or remedy may be exercised, from time to time, as may be deemed expedient by the party exercising such right or remedy.

21. Force Majeure

a. The term "Force Majeure" as employed herein shall include but not be limited to national disaster, hostilities or wars, economic downturn, revolutions, acts of public enemy, restraints of any de jure or de facto Government general strikes or other labour disturbances, any kind of fire, explosion or any other similar situations beyond the reasonable control of the affected Party.

b. Neither party shall be deemed responsible for delays or failures on performance resulting from acts beyond the control of such party. In the event of either Party being rendered unable by Force Majeure event to perform any obligation required to be performed by it under this Agreement, the relative obligation of Party affected by such Force Majeure event shall upon notification to the other Parties be suspended for the period during which such cause and its consequences last.

c. In case the Force Majeure condition continues and the Parties cannot reach an amicable settlement for more than six (6) months, then the Party not being involved in such Force Majeure event may terminate this Agreement by giving written notice to the Party involved in the Force Majeure, without prejudice to any of its rights.

conferred hereunder, including the right to receive any payment which is due and payable at the time of giving such notice.

d. In the event of the Force Majeure event, each party shall immediately consult with each other in order to arrive at an equitable solution.

22. Indemnity

Each Party ("Indemnifying Party") shall defend, indemnify, and hold the other Party, its directors, officers, employees and agents (collectively "Indemnified Party") harmless from any and all third party liabilities, damages and claims for damages, suits, recoveries, judgments or execution, and expenses (including litigation costs, expenses and attorney's fees) which may be suffered by, accrued, against, charged to, or recoverable from the Indemnified Party by reason of or in connection with the Indemnifying Party's acts or omissions, negligence or wilful default of the provisions of this Agreement.

23. Disclaimer of Warranties

a. **FutureWiz** expressly disclaims all warranties of any kind whether express or implied.
b. **FutureWiz** makes no warranty that the deputed trainers will meet PARTNER's requirement or the services provided by them on behalf of **FutureWiz** shall be timely, secure or neither error free, nor does **FutureWiz** make any warranty as to the results that may be obtained or that the material provided will be free from errors or bugs. It is however acknowledged by **FutureWiz** that the trainer provided to **FutureWiz** will be well qualified.

24. Amendments

No modification or amendment of this Agreement or any of the terms or conditions hereof shall be valid or binding unless made in writing and duly executed by the Parties.

25. Further Assurance

The Parties shall do, execute or perform all such further deeds, documents, assurances, acts and things as may be reasonably required by the other Party to carry out the provisions of the Agreement into full force and effect.

Memorandum of Understanding

Between

Sri Indu College of Engineering & Technology

And

AI-SHALA Technologies Pvt Ltd

This agreement is made on the **7th day of February 2022** between **AI-SHALA Technologies Pvt Ltd.**, an ed-tech and software development company in Artificial Intelligence with corporate identification number: **U72200DL2021PTC388522** having registered office at **C-25B, Bhagwati Garden (Extn), Uttam Nagar, New Delhi-110059, India** (hereinafter referred to as **AI-Shala**) and **Sri Indu College of Engineering & Technology** (hereinafter referred to as **SICET**) located at **Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510, India.**

WHEREAS the AI-Shala and SICET entered in to this Memorandum of understanding (MOU) with the spirit of mutual interest in cooperation to promote jointly the educational collaboration in accordance with the terms and conditions as mentioned herein below:

ARTICLE 1: SCOPE OF COLLABORATION

1.1 Areas of collaboration may be proposed by either institution and may include, but are not limited to:

**C-25B, Bhagwati Garden
(EXTN) , Uttam Nagar,
New Delhi-110059**

Mob. +91-9625994840

✉ info@ai-shala.com

1. Student training:

- A. Students of **SICET** who wish to get training in the programs offered by AI-Shala and meet the eligibility criteria of the program can participate in the program. The current programs offered by AI-Shala are in the areas of Machine Learning, Computer Vision, Reinforcement Learning, Deep Learning, NLP, and IoT. More programs in related areas of robotics, autonomous vehicles, etc will be added in the future. The participation in the program is subject to availability of the upcoming batch.
- B. The students will participate in the program at AI-Shala after approval from both SICET and AI-Shala. All the training programs of AI-Shala will be provided to SICET students at a discounted price depending on the terms and conditions of the respective program and the number of registrations.
- C. The discounted program registration fees need to be submitted by each participant to AI-Shala prior to the start of the course. However if there is any refund applicable by the mutual agreement will be returned back to students later.
- D. Each student accepted by the AI-Shala will be expected to participate in the enrolled training program at the same level of competency as any other student participating in the Program.
- E. The participating students will receive all benefits of the program, for example, performance-based extension for the mentorship, helping in preparing the technology of a startup etc. These benefits may vary between different training programs at AI-Shala and are subject to AI-Shala terms and conditions.
- F. AI-Shala will provide support for placement preparation of students who have registered for any of the training programs at AI-Shala. This includes sessions from industry experts, our mentors, and quizzes to evaluate the learning of the students. These sessions for interview preparations are only in the related areas of machine learning and spread over the period of one year to ensure better placement of the students for machine learning jobs.
- G. AI-Shala has many hiring partners. Many relevant companies are taking student interns from the training programs of AI-Shala. **SICET** students who will enroll in training programs at AI-Shala will be considered for the interview of these internships and this opportunity will only be accessible provided they pass the evaluation criteria and there is an availability with the hiring partners.
- H. Depending on the number of registrations and mutual agreement, AI-Shala may conduct dedicated training programs or workshops in **SICET** from time-to-time and especially during the summer period. Additional benefit in the registration fee will be provided to the participants as compared to the program offered to the public at AI-Shala.

- I. Based on the interest of **SICET**, AI-Shala will conduct training for students to help them start technology startups in the relevant areas of AI & ML. This may also result in additional long-term mentorship for the startup based on the mentorship policy of AI-Shala.
- J. The registered students of any of our training programs will get career guidance support, a performance-based extension of mentorship for a research paper or a project. This benefit can be availed for the next year after the completion of the training program.
- K. AI-Shala is currently working on various AI projects such as Virtual Trial Room and Fashion Analysis, Vision for Blind assistance, and Fitness Activity Analysis. Students who have qualified our selected training programs with distinction are eligible to join AI-Shala in these projects as Software developer interns based on the availability of the project requirements of AI-Shala.

2. Research collaboration:

- A. Based on mutual interest, there can be research collaboration in the areas of mutual interest. Details shall be specified in the particular written agreement for each collaboration.
- B. The research collaboration can extend to both faculty and students of **SICET** where mentors from AI-Shala will help in conducting top-class research in the relevant areas from this collaboration. This may result in a research paper. The name of AI-Shala mentors can be used only after consent from AI-Shala for research papers or any other document related to the collaboration.
- C. The registration fee of the conference/journal will be as per the agreement signed before making collaboration for the project.

3. Other collaboration:

- A. Both AI-Shala and **SICET** will promote and facilitate exchange programs for each other for training in the areas of AI & ML. For example, spreading awareness of the training for the students of the respective party.
- B. Both AI-Shala and **SICET** can also collaborate after mutual agreement to conduct workshops/summer schools/FDP/EDP/TEDP or other relevant programs for students/faculty of other colleges. The terms of partnership will be discussed as per the requirement of the program.
- C. The dedicated FDP for your faculty can be conducted based on mutual agreement. In any case, for every 30 student registrations from your institute, we will provide the registration of one faculty free of cost.

4. Other benefits:

- A. Free registration to all programs of AI-Shala for a student who has successfully qualified at least one training program of AI-Shala with distinction. This benefit

can be availed for a duration of up to 90 days from the date of completion of the first training program.

- B. Additional sessions may be given to all your students from industry experts or our mentors on career guidance, higher education in AI & ML, how to pursue research in the relevant areas of AI & ML. These sessions will be given near the end of an academic session and are subjected to availability of speakers/mentors.
- C. Additional invited lectures or seminars can be conducted by AI-Shala based on mutual agreement.
- D. SICET should provide at least 50 students in an academic year to get the above mentioned free benefits

1.2 Any specific activity developed under this MOU shall be detailed in a subsequent agreement, signed by each party's authorized signatory, which will describe the scope of the proposed activity, intended outcomes, budget, and responsible departments or individuals.

1.3 All activities shall be subject to the availability of funds and the approval of each party's authorized representatives.

1.4 The programme will be conducted by online mode only. If the programs are required to be conducted by offline mode then they will only happen after mutual consent and agreement.

1.5 **SICET's** academic department (or the person responsible to do so) will spread the awareness of AI-Shala's training programs among their students. AI-Shala in return will give additional benefits to SICET (as mentioned above) provided all terms are met.

1.6 AI-Shala is entitled to use your institute's name on its website to show you as a partner institute. The company will inform the institute about using its name at other places.

Memorandum of Understanding

This Memorandum of Understanding is entered on 26.07.2021 ("Effective Date") by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

SRI INDU COLLEGE OF ENGINEERING & TECH having its address
SHERIGUDA, TEHRAMPATNAM, HYDERABAD
TELANGANA - 501510
(hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2001
Recognition, NAAC rating, ranking:	2.88
Vision:	To be a premier institution in Engineering Technology and Management with Competency, Value, and Social Consciousness.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the following.

- Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

7. **Responsibilities of Edunet and/or its program sponsors/partners:**

- a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
- b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries

Memorandum of Understanding

This Memorandum of Understanding is entered on 26.07.2021 ("Effective Date") by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

SRI INDO COLLEGE OF ENGINEERING & TECH having its address
SHERIGUDA, BRAHMAPATNAM, HYDERABAD
TELANGANA - 501510.
(hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2001
Recognition, NAAC rating, ranking:	2'88
Vision:	To be a premier Institution in Engineering Technology and Management with Competency, Value, and Social Consciousness.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "MOU")witnesses the following.

- Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

7. **Responsibilities of Edunet and/or its program sponsors/partners:**

- a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
- b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
- d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
- e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
- f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
- g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
- h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
- i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
- j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

8. **Responsibilities of Institution:**

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
- d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
- e. **Support with attendance:** Institute will ensure that program participants enthusiastically

- participate in chosen programs, with minimum attendance as agreed between the Parties.
- f. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
 - g. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
 - h. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

The areas/ activities can be further expanded and diversified with the mutual consent of both the parties.

- a. A blended learning model wherein Coding Ninjas will help to enhance the learning process of Sri Indu College of Engineering and Technology students by providing a better learning management system and some industry standard content.

b. Coding Ninjas will provide a platform with the following features completely **free of cost** which can be used to enhance the learning environment in college and will also encourage students to practice more programming questions and develop a deep understanding of the subject.

- A module to conduct virtual practice coding sessions with live 1-1 mentor students for C & Python programming languages.
- A forum to share instruction from faculty.
- Coding Questions for practice with Solutions/Hints etc.
- Assignments including MCQs and Coding Questions for the specified topic.
- Test/Exam module based on the understanding of that topic.
- Discussion forum for students to interact among themselves.
- Doubt section where the mentors can clear doubts of the students.
- Leaderboard for students to analyze their performance.
- Progress bar for students to track their progress.
- Faculty dashboard where the faculty can monitor progress of entire class/specific students.
- Certificates to all the students crossing 60% completion mark on the course.
- TA i.e Teaching Assistant support will be provided to all the students enrolled for the course.

The platform will be available for the next 5 years. The platform partnership can be extended as per the understanding of both of the parties.

3. Role of Sri Indu College of Engineering and Technology:

1. Sri Indu College of Engineering and Technology will encourage the faculty handling programming courses and students to effectively use the Coding Ninjas platform to enhance problem solving skills and to inculcate a coding culture among students.

4. Role of Coding Ninjas:

1. Coding Ninjas will provide all facilities mentioned in clause 2.
2. Coding Ninjas will provide accounts and training sessions for the instructors and students of Sri Indu to better use the platform provided who have enrolled for a programming course at Sri Indu.

AND

Sri Indu college of Engg & Tech hereinafter referred to as "**SICET**" run by the Loyola Educational Society, is situated at Sheriguda(V), Ibrahimpatnam(M), RangaReddy(D), Telangana-501510 the College endeavors to impart quality education in the Engineering & Management fields, to all Sections of the society.

1. PREAMBLE

Information Technology (IT) has revolutionized the modern world and is expected to bring in sweeping changes in a host of human activities in the future. Information Technology is now an indispensable tool in every business industry, trade, commercial enterprise and educational institutions.

In the interest of having a healthy industry – academia interaction **SICET** and **MANAC INFOTECH** have decided to work together to organize IT related projects and courses in information technology. The main aim is to spread proficiency in information technology and also provide an industry experience to students of **SICET**.

2. SCOPE

The IT industry, today, is poised to provide employment to fresh engineering graduates in large numbers owing to tremendous growth. However, most students fail to meet the entry criteria of the industry primarily due to lack of industry exposure. It has therefore become imperative for academic institutions to provide industry orientation skills to both students and teaching staff so that the practical application of theoretical concepts is well understood by the students. In order to achieve this objective, **MANAC INFOTECH** and **SICET** have decided to enter into this MoU as per mutually agreed terms and conditions.

3. STRUCTURE OF PROGRAMMES

The Agreement is planned to provide a platform to **MANAC INFOTECH**, to offer the IT/software (JAVA & .NET related) projects, Aptitude Training and provide necessary guidance for placements.

The project coordinators will act as mentors and guide the students/staff in all phases of the projects and courses.

Deliverables from **MANAC INFOTECH** & **SICET**:

- **MANAC INFOTECH** will conduct the training sessions on related technology the detailed schedule is enclosed in Annexure A.

- **MANAC INFOTECH** will conduct an evaluation on completion of the projects which will include presentation and Viva Voice for the students.
- **MANAC INFOTECH** will provide certification for students who complete the and projects successfully.
- **MANAC INFOTECH** may help the eligible candidates with the placements opportunities based on the clients requirement.
- **MANAC INFOTECH** will consistently endeavor to elevate **SICET** to a "Centre of Excellence" in which ever way possible within the limitations of **MANAC INFOTECH**.
- **SICET** will provide infrastructure facilities (i.e. H/W, S/W, etc) for conducting the projects.
- **SICET** will identify project coordinators for the projects along with the teams of students. The project coordinator will liaise with **MANAC INFOTECH** in all aspects of the projects.

3.2 Joint responsibility of MANAC INFOTECH and SICET

MANAC INFOTECH and **SICET** will mutually and decide the project titles, scope of work, duration, resources required and other modalities before the commencement of the programs.

CERTIFICATE OF ASSOCIATION

Sri Indu College of Engineering and Technology, Ranga Reddy District has been a valuable member of the TASK family. We are glad that Sri Indu College of Engineering and Technology chooses to continue the association with us by renewing membership from 2014. Together we represent a community that is dedicated to making a positive difference to the quality of higher education in our state.

With the cooperation and support of esteemed members like you, TASK was able to achieve several milestones in overall during the academic years till to date. We successfully skilled students and faculty in addition to organizing placement drives and offering several internship opportunities.

Overall, it was a good year for all of us, this year we have set more ambitious goals aimed at providing better skilling benefits for the students and faculty of the TASK family. The focus is on extending our spectrum of skill offerings to other core branches of engineering. We will keep you updated with the latest offerings we have for you.

We thank “Sri Indu College of Engineering and Technology” for believing in the cause of empowering the youth of Telangana and continuing to work with us.

Yours sincerely,
