Subject: Accreditation status of programmes applied by Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510.

Sir,

This has reference to your application I.D. No. 3206-29/10/2018 seeking accreditation by National Board of Accreditation in Tier-I format to UG Engineering programs offered by Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510.

2. An Expert Team conducted on-site evaluation of the programs from 12th-14th July, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-I	*Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Mechanical Engineering		Accredited		

*Observations made during the course of evaluation are indicated in annexure to this letter.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for three years. Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510 should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Sri Indu College of Engineering and Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana 501510 as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. 3	Dr.P.Mallesham	Director (Mech)
4	Dr.N.C.Sendhilkumar	IQAC Coordinator
5	Dr.G.Suresh	Principal

Overall Observations:

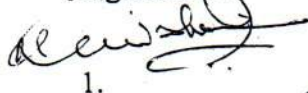

Strength:

1. All the departments were adopted to the preparation of prerequisites for the academic process.
2. More than 80% of the faculty members are maintaining 3 to 5 units study materials.
3. Templates were circulated to the individuals.
4. All are keeping records as a softcopies.
5. Shown great involvement.
6. Academic Calendar & Competence matrix were prepared well in advance. Workloads remained properly distributed.

Concerns:

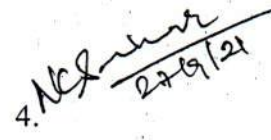

1. Handouts are not consolidated.
2. CO and Mapping needs to be concentrated for effective attainments.
3. Editing of syllabus copy is not advisable.
4. Few faculties were still keeping R18 syllabus copy instead of R20 for second year students.
5. One or two experiments can be included as content beyond to bridge the gap.
6. All the Lab Manuals are outdated; it is not prepared and updated as per the regulation. The proper revision in the experiments and manuals are to be incorporated as per the requirements.
7. Few departments are having major deviation in the common templates.
8. Stock registers are to be maintained in the individual laboratories, even though if we have master register.
9. Login logout registers are to be maintained in all the laboratories.
10. The quality of the study materials are the biggest concern. Neatly scanned materials, detailed handwritten or typed/ self-prepared materials can be circulated among students.
11. Lesson plan of action should be realistic and as per the guidelines.
12. Question Banks must be well prepared with all CO & BT Level Mapping and Repeatability of the same during yester years.

Date 25.08.2022

To,

The Principal

Sri Indu College of Engineering & Technology,
Sherignda Ibrahim Patnam,
Ranga Reddy District, Telangana- 501510

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier I offered by Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510.

Sir,

This is regarding Compliance Report submitted by **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** for the UG Engineering programs which were accredited by NBA in Tier-I for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on **15th July, 2022**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** should submit fresh online application under First Cycle SAR through e-NBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)

Subject: Decision on appeal against non-accreditation of UG Electronics & Communication Engineering program offered by Sri Indu College of Engineering & Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana- 501510.

Sir,

This has reference to Appeal dated 20/12/2019 filed by Sri Indu College of Engineering & Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana- 501510 against the decision of NBA not granting accreditation to UG Electronics & Communication Engineering program of your Institution, communicated vide NBA's letter of even number dated 01/11/2019.

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 25-08-2021. The recommendation of the Appellate Committee was considered by the Competent Authority in NBA. Based on the decision taken, accreditation status of the program is given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

*Observations made by the Appellate Committee are indicated in Annexure to this letter.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. Sri Indu College of Engineering & Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana- 501510 should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Sri Indu College of Engineering & Technology, Facing Main Road, Ibrahimpatnam Mandal, Rangareddy District, Sheriguda, Telangana- 501510 as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
