Academic Year : 2021-22

### SUBJECTWISE FEEDBACK

Subject Name : English for Skill Enhancement Subject Code: R22HAS1101  
Year/Sem : B.Tech I/I Regulation : R22

### Observations

- 1) This course enables the students to develop, Grammar, Vocabulary, Listening, Speaking, Reading and writing skills.
- 2) This course helps the students to acquire basic language learning skills.

### Suggestions

- 1) Though the syllabus has ample of scope to learn all the LSKW skills, the students are not much interested in learning Grammar. So instead of covering lot of Grammar, we can add one more lesson.

### Any Comments/Recommendation for Consideration

- 1) Most of the students are from rural background they were not used to the English language.
- 2) We can make the college as English speaking zone, so that the students get some exposure.
