21st TECHNOSAV 2023 INTRODUCTION

Sri Indu College of Engineering and Technology, Sponsored by New Loyola Model Education Society (1979) was established in the year 2001 under the Chairmanship of Sri R. Venkat Rao. The college is distinguished to have been awarded ISO 9001 : 2000 certificate in the very second year of its establishment. Accredited by NBA & NAAC. The college is affiliated to JNTUH and approved by AICTE, New Delhi, become Autonomous College in 2019.

The College offers B.Tech and PG courses in the following disciplines.

1. Civil Engineering
2. Electrical & Electronics Engineering
3. Mechanical Engineering
4. Electronics & Communication Engineering
5. Computer Science & Engineering
6. Information Technology
7. Artificial Intelligence & Machine Learning
8. Artificial Intelligence & Data Science
9. Data Science
10. CSIT
11. Cyber Security
12. Internet of Things (IOT)
13. M.Tech Computer Science & Engineering
14. M.B.A.

Objectives

1. Provide a common platform for students of Engineering / Technology to interact for the exchange and enhancement of knowledge, ideas and to improve their innovative and creative skills.
2. To imbibe the spirit of competitiveness among the students in the current and emerging trends of technology in the engineering disciplines of Electrical, Mechanical, Electronics, Computer Science, Information Technology and Civil.

21st TECHNOSAV 2023 TOPICS

Electrical & Electronics Engineering

- Electrical Hybrid Vehicles
- Solar Power Generation
- Power Quality & Fault Devices
- DC Transmission Systems
- Modern trends in Power Electronic Devices
- IOT in Electrical Systems
- AI Techniques applied to Electrical Engineering
- Nano Technology
- Fuzzy Logic Systems

Mechanical / Civil Engineering

- Highways & Skyways
- Modeling of Dams & Bridges
- Intelligence of transport system
- Ground water improvement techniques
- Water treatment
- Latest trends in composite materials
- Robotics and Mechatronics
- CAD/CAM/CAPP/MS
- Advanced Manufacturing Process

Electronics & Communication Engineering

- Signal, Image & Video Processing
- IOT in Embedded Systems
- Advanced Wireless Communication (MIMO)
- Wireless Sensor Networks
- Biopic Technology
- Window Based Embedded Systems
- Neural Networks

CSE/IT/CSIT/IOT:

- Information Security and Cryptography
- Internet of Things
- Cloud Computing
- Big Data & Analytics
- Artificial Intelligence
- Machine Learning
- Metaverse
- 5G Wireless Technology

21st TECHNOSAV 2023 CS/AIML/AI&DS/IS

- Role of Data Science in Business Management
- Search engine optimization using Data Science
- Machine Learning for predictions & decision making
- Self-driving cars
- Cyber threats and intelligence
- Privacy aware Machine Learning

Rules and Regulations

All the contents are open to the interest of any Engineering College of PEC, MRC, PCC, CSE, IT, CUI Institutes.

The Paper presented should have the following specifications:

- Maximum number of authors per paper: two.
- Time allotted - 10 min.
- Maximum number of pages: 10 x 1 x 1.
- 1.5 Spacing, Size - 12, Times New Roman, A4 Size (B&W Format)
- Spot Registration for Selected Participants - Rs. 100/- per person
- One hard copy and one soft copy is to be submitted on or before 9th March, 2023
- Participants should carry their college ID Cards.

Registration Fee of Rs. 100/- per person

Last Date for submission of paper is 8th March, 2023. Selected paper will be intimated by 9th March, 2023 (by email / phone)

21st TECHNOSAV 2023

A National Level Technical Symposium

To

The Principal / Director,

Dear Sir / Madam,

It gives us immense pleasure to inform you that our college is organizing 21st Technotsav-2023: A National Level Technical Symposium in our Institute on 11th March 2023. It provides an ideal platform for the student community to exchange their ideas. It provides a great opportunity to realize their potential and to have an exhilarating by participating in the symposium.

The details are given in the enclosed poster. We request you kindly give wide publicity by displaying the poster in the main notice board of your college and encourage the students to take part in 21st Technotsav-2023. We are also enclosing the information brochure and registration form for the young and enthusiastic participants.

We look forward for your cooperation and active participation of your students in our 21st Technotsav-2023.

Send your Registration to: **"technotsav2k23.sicet@gmail.com"**

Thanking you,

Yours sincerely,

Dr. Suresh

provide additional information. There is a significant gap between what is taught in school and what is needed in the workplace. Technical event knowledge makes you wiser and helps you prepare for future interviews. It provides you with additional knowledge about professional alternatives, allowing you to broaden your options. Interactive seminars allow you to express yourself, improve your communication skills, and develop your leadership abilities. Smarts, communication quality, public speaking abilities, and influential encounters are all necessary for success in life.
