## Website Maintenance Contract

### What is web maintenance?

Think of it as painting your house, the more attractive it is, the more often it will be visited and noted to others. Good regular maintenance will also keep visitors coming back. As simple a thing as a time stamp on your web page, will show the viewer your pages are up-dated regularly. Make your web-site attractive and always aim to attract new visitors to it. Maintenance can consist of minor text changes or additions to graphics or a new web-site page design or new page content, etc.

### Why Rify Hosting Pvt. Ltd?

- Experienced Professionals

The **Rify Hosting Pvt. Ltd** website maintenance team is made up of full / part time professionals each with more than five years of web design experience.

- Customer Service

Rify Hosting Pvt. Ltd website maintenance experts are friendly, courteous, and most importantly, responsive to your web maintenance needs. They will always provide an estimate of the number of hours it should take to do the job and notify you by telephone or email upon completion.

- Website Maintenance Policy

We define "Maintenance" as keeping the web site current. It is not intended to be a new design. We maintain a current backup, and archive all submitted files for your website.

We reserve the right to distinguish between "updates" and "new designs". Changing the navigation, the adding of new pages, graphic changes, buttons, etc. are considered new designs and charged accordingly to our hourly design rate.

## Approval of request of SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY for Institutional registration in NDL

Inbox

x

**NDL-Support <ndl-support@iitkgp.ac.in>**

7:38 PM (14 hours ago)

Dear Dayakar Reddy Paduri,

**Your request for Institutional registration facility in NDL is approved.** Please register all the users (students, research scholars, faculty members and staff) of **SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY**, who are not yet registered in NDL, by clicking the "**Add User**" button of the NDL portal available to you after you login to NDL (<https://ndl.iitkgp.ac.in>).

There are two options: Single User Registration and Bulk User Registration. Single User Registration is self-explanatory. For Bulk User Registration please prepare CSV file, strictly as per the following format, and then upload the file:

- e-mail id (of user)\*
- First Name (of user)\*
- Last Name (of user)
- 

Note that the e-mail id and First Name are mandatory for each person but Last Name is optional. Also there should not be more than 1000 (One Thousand only) users in a CSV file. The registration process gets completed once the registration mails are sent to all the users listed in the file. It may take some time to complete this mail sending process and you may observe the status in the tab "Status".

In case you need to register more than 1000 users, please do this by making multiple files, each file not containing more than 1000 users, and uploading each file separately, and one by one. The next file should be uploaded only when the registration process for the previous file is completed, which may be confirmed from the "Status" tab.

Since new students, faculty, staff join every 6 months, please collect details of new users enrolled in SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY every 6 month period and get them registered in NDL.

If you face any problem or need any clarification, please get in touch with us at [ndl-support@iitkgp.ac.in](mailto:ndl-support@iitkgp.ac.in).

We solicit your cooperation in getting all users of SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY registered in NDL regularly.

Best Regards

Let's all enjoy NDL!

Best Regards,

The NDL team
