## NATIONAL BOARD OF ACCREDITATION

4th Floor, East Tower, NBCC Place, Bhisham Pitamah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

File No. 11-115-2010-NBA

Date 25.08.2022

To,

The Principal

Sri Indu College of Engineering & Technology,

Sherignda Ibrahim Patnam,

Ranga Reddy District, Telangana- 501510

**Subject:** Further accreditation status on the basis of Compliance Report of the programs in Tier I offered by Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510.

Sir,

This is regarding Compliance Report submitted by **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** for the UG Engineering programs which were accredited by NBA in Tier-I for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on 15<sup>th</sup> July, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** should submit fresh online application under First Cycle SAR through e-NBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Sri Indu College of Engineering & Technology, Sherignda Ibrahim Patnam, Ranga Reddy district, Telangana- 501510** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

  
(Dr. Anil Kumar Nassa)  
Member Secretary

Encls: 1. Copy each of Report of the Visiting Team in respect of the programs.

## EXPERIENTIAL LEARNING

QUALITY EDUCATION AT GLA UNIVERSITY

GLA University is known for its academic excellence that provides experiential learning to develop and promote innovation, and entrepreneurship, and to inform and disseminate knowledge for nation building and solving global problems. The University's Institute of Engineering and Technology, a prominent institution, offers engineering degrees to students pursuing undergraduate, postgraduate, and doctorate programmes. It is recognized by the University Grants Commission (UGC), NCTE and Pharmacy Council of India. It has been accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' Grade. The undergraduate engineering programmes, namely B.Tech in Computer Science, Mechanical, Electronics and Communication, Electrical, Civil have engraved an alchemy owing to the commitment of the University's management. More than 960 students from a variety of programmes have got placed in reputed organizations like TCS, Wipro, Microsoft Corporation, Infosys, Accenture, Capgemini, etc. In the academic session of 2021-22, a multitude of reputed organizations visited the university for conscripting undergraduate engineering students like Amazon, Tata Power, Tata consulting engineering, Orange Business Solution, JSW Group, Adani Group, Afcoss, VMware Software, Silicon Labs Inc. Zscaler, etc. Furthermore, guest lectures are a vital source of sharing the experiences of industry stalwarts. Some of the commendable focal points include research-oriented learning and academic rigor through case analysis, simulation exercises and role-plays. Pupils are given comprehensive knowledge of business facets through summer internships, research projects and business plan preparations. Interestingly, students get an opportunity of stepping into the world of Entrepreneurship by IEDC Cell. This cell appreciates and promotes novel ideas, provides financial aid and facilitates patents. The University has qualified and experienced faculty members with corporate and global exposure. The students visit prestigious institutions like IIM Indore, IIT Bombay, IIT Roorkee, and IIT Indore, participate in various activities and bring laurels to their respective departments. The trilogy of international tie-ups, industry tie-ups, and academic tie-ups bring excellence to students' global exposure and growth. Several collaborations have added feathers to the University's enviable excellence. The students get experiential learning and practical exposure through cor-

porate interactions and visits. They also focus on holistic personality development and give strong emphasis on communication skills. The engineering programme has been running for more than a decade and comes with the much-relevant Choice Based Credit System. The alumni of the programme have done very well in academics, corporate and business. Many of them studied in India and abroad at prestigious universities like Cardiff University and the University of Birmingham. Distinguished alumni include Indian Administrative Service (IAS) Officers, Indian Police Service (IPS) Officers, Indian Revenue Service (IRS) officers, Indian Space Research Organisation (ISRO) scientists, and officials in the Ministry of Communication and Technology, etc. Many of the alumni are working in renowned multinationals like Torry Harris, Vodafone, Synosure, Renault Engineering Design, etc. B.Tech in Computer Science (CS) offers project-oriented education. B.Tech in Mechanical Engineering, B.Tech in Electrical Engineering, and B.Tech in Electronics and Communications are the core branches. They cater to those who intend to go into Govt. Sector or join corporate. The University supports the students in preparing for exams like GATE, IES, AS, etc. and job-oriented exams such as IBPS, SSC, Railways, etc. Students can avail the golden opportunity of preparing for exams like NTPC, IOCL, HPCL, ONGC, GAIL, BHEL, etc. through sessions on verbal ability, quantitative ability and reasoning skills. Moreover, students gain extensive insights into computer languages along with a blend of management concepts. Besides, pupils are provided with an exposure to practice practical-oriented learning along with the advanced course curriculum and a wide choice of specialization. Other professional programmes such as B.Tech with specialization in IBM courses in Artificial Intelligence, Internet of Things, Data Analytics, Cyber Security, etc. are also offered at the undergraduate level. Those opting for these programmes get exposure to the advanced technology employed by the industries. Collaboration with IBM, Texas and Dymech not only hones the technical skills but also gives them expo-

## Advanced emerging technologies and industry needs

### Engineering Excellence at Apeejay Stya University

The School of Engineering & Technology (SOET) at Apeejay Stya University (ASU) focuses on a Liberal Arts approach aligned with advanced emerging technologies and industry needs. It offers Bachelors to Ph.D. programmes, focusing on hands-on experience and industry relevant skills. Some of the new courses' features include IoT, cloud computing and artificial intelligence. Seamless industry interfaces and practical experiences ensure that Engineering graduates from ASU get the best of jobs, amply reflected in the placement record and entrepreneurial successes of its graduates. With a deep focus on research and industry outcomes, students get a first-hand exposure to cloud computing, artificial intelligence, big data, research data as also global exposure through a tie-up with Oracle WDP.

Students are regularly provided industry-based training/ internships. SOET has established a Design and Innovation Centre (DICE) for faculty and students which actively works with industry. It has modern infrastructure and a renowned faculty with industry experience. New and well-established programmes include a 4 year Bachelor of Technology in Computer Science & Engineering (cloud computing and artificial intelligence in collaboration with Oracle Workforce Development Partner). Expert training is given by Oracle authorised trainers at the University Campus. It also facilitates global digital content from Oracle leading to professional training completion certificates from Oracle. SOET also offers Doctoral programme (Ph.D.) in Computer Science & Engineering/Electronics & Communication Engineering. SOET has been Ranked 8th in North India by Times Engineering Institute Ranking Survey 2021. It has also been recognised by the Institution Innovation Council (IIC) approved by the MHRD and Incubation Centre approved by MSME. It is also the recipient of a grant sanctioned by Armament Research Board (DRDO). SOET ensures that engineering students pick up the essential career skills in project management, cost-effectiveness, quality assurance, communication and decision making to enhance employability and entrepreneurial skills.

1. Our College offers 12 UG and 3 PG Programs including emerging courses:

## Courses Offered

### Academic Year 2019-20

S.No.	Course	Intake 2019-20
1	Civil Engineering	120
2	Electrical & Electronics Engineering	120
3	Mechanical Engineering	180
4	Electronics & Communication Engineering	240
5	Computer Science & Engineering	240
6	Information Technology	60
7	M.Tech. - Computer Science & Engineering	18
8	M.Tech. -Computer Science	18
9	M.Tech. -Embedded Systems	18
10	Master of Business Administration	60

### New Courses Introduced after grant of Autonomous from the Academic Year – 2020-21

S.No.	Course	Intake
1	Computer Science & Engineering(Data Science )	60
2	Computer Science & Information Technology	60
3	Computer Science & Engineering (Artificial Intelligence and Machine Learning)	60
4	Computer Science & Engineering (Cyber Security )	60
5	Computer Science & Engineering (IoT )	60

### Catering the needs of freshers

- Induction program with parents
- Bridge courses for Fresh students
- Counseling followed by special coaching and assessment for weak students
- Student mentoring and home visits, etc.

Recently we got approval for Artificial Intelligence & Machine Learning, Data Sciences, IOT, Cyber Security, CSIT and AI & DS at B.Tech Level.

### 2. The Core value of our institution are:

### 3. Further, to Strengthen the teaching learning process we are collaborating with various industries

1. CISCO partner
2. SAP
3. IBM Campus connect partners
4. Intel intelligent partnership
5. Infosys Campus Connect
5. MICROSOFT students' engagement etc.,
6. additionally we had MoU with 38 more industry partnership for upskilling the students and faculty qualities and to update the learning resources.

#### **4. Achievements:**

1. The academic students' performance are linearly progressive:

2. Placement Achievements are:

Academic Year: 2020-2021 = 89%

Academic Year: 2019-2020 = 87%

Academic Year: 2018-2019 = 83%

3. Also, we have conducted 123 skill development and career guidance programs and 11 faculty development programs for enhancing the quality for the academic year 2021-2022.

4. During the pandemic (Academic Year 2020-2021), to increase the competency levels, all our faculty members have contributed in various developmental activities for strengthening their profile.

S. No	List of Contributions	DEPARTMENT								
		ECE	CSE	IT	EEE	MECH	CIVIL	H&S	MB A	Total
1	Faculty Publications	53	131+2*	11	17	43	7	11+5*	1+2*	284
2	Faculty Activity Participations	1191	432	47	1020	289	27	308	34	3157
3	Faculty Patent	11	11	3	5	4	0	2	0	36
4	Faculty Interaction with Outside world	26	17	2	12	0	0	0	0	57
5	Faculty Achievements & Awards	11	5	0	1	0	1	4	0	23

5. Furthermore, to ensure our quality

i) We got Accredited by NBA for 2 programs, remaining programs are in pipeline

ii) Accredited by NAAC

iii) Renewed UGC Autonomy status till 2025

#### **5. Best Practices:**

To modernize our teaching learning process, we adopted some the best practices as part of our activities

1. Credit Transfer for MOOC/ NPTEL /SWAYAM against open and

professional electives.

2. Distributing Handouts on day one class.
3. A Strong internal academic audit system for ensuring our day today activities
4. Established ML & Data Science Research Lab, Robotic Lab
5. ICT Based Teaching-Learning process.

**6. Innovations:**

To promote the students and faculty innovations, Conceptual ideas, projects and products development, we associated with

1. Technology Hub
2. Created 8 innovata clubs and actively functioning.
3. Members of Institution Innovation club by MoE.
4. Adopted NISP implementation policy
5. Strengthening industry institute collaboration.

To, Dr. G. Suresh  
SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY

Sub: MGNCRE-DHE-MoE-Gol/SESREC Action Plan/Online Institutional Workshop for Students- Request-Reg.

Dear Dr. G. Suresh

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India!

We thank you for setting up a SESREC Cell in your institution and attending the Online SESREC Action Plan Workshop conducted in the month of October 2020.

As a part of the second phase, we are now conducting Online Institutional SESREC Workshops for Students and all faculty members of your institution (prior to . This workshop will familiarise them with Social Entrepreneurship, Swachhta and Rural Engagement and will help them plan and implement SESREC activities. They will also be eligible to participate in the National SESREC Action Plan Competition 2020-21. We will also be sharing the details of the competition in the workshop.

In this context, we request you to kindly participate in our Online One-Hour Workshops SESREC Action Plan Institutional Workshop that is specifically being organised for you, all the faculty members and all the students of your esteemed institution.

The date and timings of the workshop are:

Date- 18/02/2021

Timing of the Workshop: 2.00-3.00pm

Our Regional SESREC Coordinator Ritika Kumari, 8080689679 Abhishek Ranjan, 7903229879 will be in communication with you and can be reached for all clarifications. We thank you in advance for your contribution to this national endeavour and look forward to your immediate confirmation in this regard.

Thanking you,

Yours sincerely,

  
Dr. W G Prasanna Kumar  
Chairman MGNCRE

**Entrepreneurship V/s Social Entrepreneurship**

Entrepreneurship	Social Entrepreneurship
Driven by motive to generate financial wealth	Driven by motive to create inclusive wealth (Financial, social and Environmental)
Benefits of wealth are accrued by the entrepreneur, shareholder and investor	The purpose of wealth creation is to benefit the community/Society
Measures success of enterprise in terms of profits, turnover, market share etc.	Measures success of the venture in terms of the impact it has on the life of community
Focus on profit maximization to increase personal wealth	Focus on being profitable   or revenue - surplus   to maintain autonomy and self-sufficiency of the enterprise

Meeting details: People (19), Chat, Ritika Kumari is presenting.

**Organiko**

Founded by Poojitha in 2017 based in India. Processing food based on the dahi curd units Making and Spreading dahi curd Dahiya Milk curd.

Starter milk	Potential of starter milk	Impact
Traditional and medicinal value. Unlike regular milk, it supports the body of newborn, who are first to receive the medicinal curd of dahiya milk.	Thomas E. Younger, A. D. D. C. B. F., D. Ph. 1 and 2, and other awards were awarded to full cream whole natural dahiya curd milk.	Established in 1980 dahiya curdery
Motivation: Needs of babies of dahiya curd. A need based digital curd - dahiya milk.	Commercial curd as per dahi type	Employed to at least 20 people

Meeting details: People (18), Chat, Ritika Kumari is presenting.

**Committee:**

Sr. no	Name of the faculty	Nature of work
1	Dr.G.Suresh	Head
2	Mr.E.Parusaramu	Co-Ordinator
3	Dr.P.Epsiba	Mentor
4	Dr.N.C.Sendhilkumar	Mentor
5	Mr.M.Challapathi	Mentor
6	Mr.R.Venkateshwar	Mentor

# MGNCRE Sustainability Indicators, Points and Ranking

## 1. Green Cover on Campus

#	Assessment Criteria	Points	Grade	Remarks
a.	33% and above	10	A+	65%
b.	22% -32%	8	A	
c.	17% - 21%	6	B+	
d.	11%	4	B	
e.	Less than 11%	3	C+	
d.	No green cover	0	C

#### 4. Rooftop Solar System

#	Assessment Criteria	Points	Grade	Remarks
a.	Contribution to grid after use	10	A+	
b.	100% self-dependent	8	A	
c.	75% self-dependent	6	B+	
d.	60-69% self-dependent	5	B	
e.	50% and below self-dependent	0	C+	
f.	No solar power	0	C	

#### 50 KVA Solar energy located at College

Present day need and trend is utilizing green source of energy to reduce carbon footprint with sustainable future. In this regard INDIAN government is also encouraging the same with subsidies. Better late than ever, it's time to protect the nature by utilizing green energy in place of fossil fuels. In this aspect, SRI INDU College of Engineering & Technology is taking the lead to reduce carbon emissions by utilizing 70% of energy from solar.

Solar Energy and Wheeling to the grid: Sri Indu College of Engineering & Technology uses solartechnologies to diversify their energy sources, improve efficiency, and save money.

Energy developers and utilities use solar photovoltaic and concentrating solar power technologiesto produce electricity on a massive scale to power in the campus.

The College Management has taken following alternative sources in conserving the energy. A-Block is equipped with solar photovoltaic to address climate change issues by reducing relianceon conventional fossil fuel based energy. With net metering connection, Solar PV System is connected to main electricity **grid to allows to sell power generated by solar panels**

## Solar Lights

We will be using solar panel and batteries to store and then convert solar energy to electrical which is to be used for street lighting system. During daytime, solar energy is stored and then depending upon natural light illumination in surrounding the array of LEDs glow using same convert solar energy. The on/off movement of LEDs depends upon input/output of sensors.

## Sensor based energy conservation

## LED LIGHTS IN CAMPUS

Use of LED bulbs/ power efficient equipment The college management has provided following facilities in conserving the energy and power efficient equipment Master Switches for each Room to shut down power of entire room when not in use. CRT monitors are replaced with LCD/LED Monitors. The CFL fittings with higher rating wattage are replaced with LED fittings with lower wattage with the same luminous level in street Lights and other possible areas of Campus. Energy Star certified products installed in the campus are air conditioners, refrigerator, ceiling fan and others.

## NET METERING CONNECTION
