## CHAIRMAN'S MESSAGE

I strongly believe in the message given by Swami Vivekananda where he defines that "Education is the life-building, man-making character-making, assimilation of ideas". It is from this perspective, as the Chairman of Sri Indu Group of Institutions, I have been striving hard towards making this Group a better academy by providing its community of students and teachers with innovative, challenging ways to think about what they are doing and by allowing them to figure out the best ways to accomplish their goals. During the past four decades, there has been a phenomenal expansion of technical education facilities in the country. The growing body of scientific and technical knowledge and its repeated obsolescence call for more frequent occupational updations. Education has to be provided to all, and at the same time, the quality of education has to be maintained, irrespective of the quantitative expansion of study.

It gives me immense joy to affirm that Sri Indu group of institutions, having completed 43 years successfully, has grown into one of the best institutions and is rated as one of the leading Groups in Hyderabad, Telangana State. Sri Indu group of institutions is a multi-campus academic unit spread over Vanastalipuram, Vaidehi Nagar, Sheriguda in Hyderabad and three more Academic Institutions in Dubai, Doha and Wukair, thus making this Group an Academy of International rank and grade. While Vanasthalipuram campus houses Loyola Group of Schools, established in 1979, Vaidehi Nagar campus accommodates PG College and Sheriguda campus accommodates for Two Engineering Colleges, College of Pharmacy and PG College MBA (OU).

Both of our Engineering Institutions in Sheriguda , SICET and SIEET are Autonomous Institutions under UGC, Recognized under 2(f ) and 12(B) of UGC Act 1956, approved by the All Indian Council of Technical Education (AICTE), Accredited by NBA and NAAC and an ISO 9001:2000 Certified College and Permanently Affiliated to JNTUH.

Engineering education has become synonymous with a better standard of living. Besides the acquisition of technical skills, the need of getting oneself familiarized with soft skills like communication skills, organizational skills, crisis management skills, public relations skills etc. has gained appreciable momentum. I am striving very hard to mould Sri Indu Group as the model Institution in not merely getting the students prepared for the potential job market but also instilling in them much needed enthusiasm to work for the nation to meet the social aspirations of our country. I strongly believe that the engineers of today, by their innovative ideas, their problem-solving attitude and, of course, a humanitarian bent of mind, can establish a better world where people of all nations may live in harmony and peace. By and large, I express my deep sense of commitment to the overall development of the student community of Sri Indu Group of Institutions.

**Sri. R. Venkat Rao, Chairman**

## SECRETARY'S MESSAGE

Education must be conceived as an interdisciplinary concept as a factor of multidimensional development, of which, man is both the end and the instrument. Education so conceived helps in the continual growth of personality, steady development of character and qualitative improvement of life. More and more objective and scientific methods of quality determination and evaluation have to be adopted in institutions of higher learning. This can be achieved under the guidance of a competent, qualified, experienced and responsible head of the institute.

It gives me immense pleasure and I feel proud in stating that Sri Indu Group of Institutions which have completed 44 years successfully under the leadership of its Chairman, an eminent academician, who always operates with a vision towards the development of an institution. He is as much instrumental as the engine of a train.

Our laboratories are well-equipped with state-of-the-art equipment and all the computer Labs in the campus are of high-end configuration, Wi-Fi enabled Campus with internet facility. The most modern and high-tech Central Library with national and international journals and magazines, and online journals like IEEE, ASME and J-Gate certainly create a congenial ambience for an ideal engineer in the making to grow.

I am really happy that despite the slowdown of the economy, Sri Indu has succeeded in bringing various good companies to its campus for placements. Sri Indu Group believes in bridging the gap between Industry and Research for the students to make them apt for facing the challenges of industry and society

**Sri. R. Anup Chakravarthy, Secretary**

## MESSAGE

Sri Indu College of Engineering and Technology has generated a vast intellectual and academic movement that would have gladdened the hearts of all its stake-holders. The instructive stimulus of the College has been extensive and profound, both within and beyond academia. The staff and graduates of the College take their knowledge and training with them to all parts of the world and through their achievements and the prominence, which they have so often earned, they have demonstrated the value of the ideals, which the College espouses.

I'm extremely pleased to greet you on the occasion of the issue of this Newsletter. This is a time for reflection and for hope. There is a need to take stock today where we stand, how far we have travelled. Let us do so calmly but seriously.

The success that a student achieves in the academic field depends on the quality of the educational experience that an institution provides, besides personal efforts and endeavors to reach one's goal. In this astounding mission of developing an appropriate and viable mechanism, the shrines of technological education in India should review and reorganize the higher education to suit the systematic progressive needs of the nation and link the research in academic institutions for the growth of the society.

I hope that the Newsletter of the College will go a long way in the integrated, inter-disciplinary and holistic character moulding of the young students. I sincerely appreciate the efforts of the organizers and wish them all success.

**Dr. A.Rama Krishna Rao,**  
Director, Academics &  
Evaluation

## MESSAGE

It gives me immense pleasure to note that the Newsletter of SICET (Volume-3 Issue-3 July-December 2022) is being released. It projects and showcases the multifarious activities of the college in pursuit of achieving excellence in technical education and fulfillment of its mission. I am happy to learn that the newsletter is highlighting the activities of the college. I congratulate the staff and students for their achievement. I wish that everyone continues their untiring efforts to grow to further high standards and congratulate all the editorial members for releasing this newsletter. The college creates a highly competitive and collaborative environment to innovate, initiate, and pursue many student-centered activities that enhance leadership skills and increase the knowledge base, outside of classroom also.

**Dr. G. Suresh**  
Principal

Annual day celebrations in Sri Indu College are much more than just festive events. These celebrations serve as a vibrant platform for students to come together, showcase their talents, and celebrate their achievements. The annual day is a culmination of hard work, dedication, and creativity, reflecting the dynamic spirit of engineering education.

One of the highlights of annual day celebrations is the cultural extravaganza that unfolds on stage. The auditorium becomes a canvas for artistic expression as students showcase their diverse talents. Dance performances, ranging from classical to contemporary, add rhythm and vibrancy to the event. Theatrical presentations and skits engage the audience, delivering both entertainment and thought-provoking messages.

The annual day is an occasion to acknowledge and celebrate excellence. Outstanding students are honored for their academic achievements, contributions to research, and exemplary service. These awards not only recognize individual efforts but also inspire other students to aim for greatness.

The chairman, Secretary, Director of Academics & Evaluation, Principal and all the staff members were present on this occasion. Students from all the branches actively participated in the cultural events and made the program colorful. Students received mementos and certificates from chief guest for academic excellence and also medals for various sports and other activities.

## ANNUAL DAY CELEBRATIONS AT A GLIMSE

## WOMEN'S DAY CELEBRATIONS 2023

International Women's Day was celebrated at the placement auditorium in Sri Indu College of Engineering & Technology on 08-03-2023. The purpose of celebrating Women's Day was sensitization about "Gender equality and women's empowerment". We recognize the importance of International Women's Day and the significant role it plays in our commitment to empowering women. We take this opportunity every year to celebrate and honor the achievements of women from all walks of life, and to raise awareness about the ongoing struggle for gender equality.

At the outset of the program Sri. R.Venkat Rao, Chairman, addressed the gathering on this occasion.

**Chairman Sir Lighting the lamp on the inaugural ceremony of Women's Day Celebrations on 08-03-2023**

**Dr. A. Ramakrishna Rao**, Director, Academics & Evaluation, and **Dr. G. Suresh**, Principal addressed the gathering on the occasion of **International Women's Day 2023 Celebrations**. They acknowledged the value and the importance of Women in our lives and all around the world.

After cultural events, the Director, Academics & Evaluation and Principal Distributed certificates to the students for their achievements. Indoor plants were distributed by the Director to all the staff.

## PROJECT EXPO – 2023

Sri Indu College of Engineering & Technology conducts a Project Expo every year, this year organized on 04-05-2023. Project Expo is the platform helps to unleash the potential of our students. The main objective of the Project Expo is to bring out the student's innovation. Through this Project Expo, our students acquire the following:

- Improve their innovative spirit.
- It makes the transformation of theoretical knowledge into application.
- It enriches the knowledge of renewing technologies and Boosts curiosity about learning.
- Improves Team Management and Problem-solving skills.

**Students from various departments visited stalls during the Project Expo.**

## TRAINING & PLACEMENT CELL

Striving for 100% placements is the leading motto of the Training and Placement Cell. The trainers have more than a decade of experience in understanding the training requirements of undergraduate students and designing programs to help students attain career success. Started in response to an emergent need the T&P Cell aims to bridge the gap between the requirements of the corporate and the skill sets that the students acquire during college.

The Goal of the Training & Placement Cell of Sri Indu is to be a liaison between Industry and students to provide employment opportunities available in the market and to provide intensive training to the students for their overall development. The institute has provided infrastructure for effective functioning in conducting various activities, which are being undertaken regularly like placement of the students and developmental programs.

## CAMPUS RECRUITMENT TRAINING- CRT

**Campus Recruitment Training (CRT)** is to aid candidates in their preparation for Recruitment through Campus or outside campus. The Program which is exclusively designed for the students preparing for recruitment and is geared towards ensuring that the students are well equipped to get through the recruitment process of various IT and NON-IT companies. Daily training sessions for the students by the CRT trainer and regular practice is given on Soft Skills, Quantitative aptitude, & Mock Interviews, Group Discussions, Reasoning Logical & Analytical, Personality Development skill, Speaking Communication Skill, Personal interviews presentation skills and Resume Preparation. The program has different modules for preparing the job aspirant to tackle the interview process like Written Tests and Aptitude tests, Company-specific Comprehensive Tests, and Guidance about the selection processes followed by various companies.

## INFOSYS CAMPUS CONNECT

Campus Connect launched by Infosys is a unique academia–industry Initiative to “architect the education experience. It conducts the “**Train the Trainer Program**” on various technologies including foundation-level Advanced and soft skills. Infosys provides training to Faculties and Students so that they can equip students for placement Drives.

### **SOFT SKILLS TRAINING**

In the present world largely driven by the service industry, soft skills are much sought after, especially by IT companies. Very often recruiters, because of the absence of these skills reject the majority of the candidates. As we are all aware, the undergraduate years coincide with the most impressionable age of the students where their attitudes are developed and preferences & interests formed. Therefore before stepping into the world of work students require proper initiation and the right personality. Personality enhancement programs at our college are thus exclusively designed to prepare entrepreneurial, learnable and employable students.

## GUEST LECTURES/ FDPs/SEMINARS/WORKSHOPS

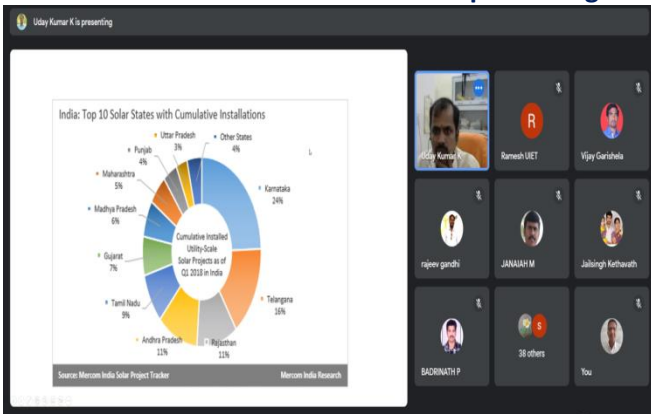

Several Guest Lectures from various Institutional and Industrial Experts in various fields were organized by departments for an in-depth understanding of the subjects. Through guest lectures, we bring our students face-to-face with eminent academicians, Industries and entrepreneurs. The inclusion of eminent speakers, industry experts, and successful alumni in annual day celebrations adds an enriching dimension. Inspirational talks, seminars, and workshops impart valuable insights into the professional world. These interactions bridge the gap between academia and industry, motivating students to strive for excellence in their chosen fields.

**Two Day Workshop on Python Programming with Real Time Applications in Association with CSI Students Local Chapter during 22-23 June, 2023, Resource Person, Mr.Fazal ur Rahman, Sr. Developer MANAC INFOTECH**

**Intellectual Properties Right workshop organized on 24-03-2023**

**Organized online National Level Conference on 10-02-2023, Speaker Dr.B.Srinivas, Assoc. Professor, NIT Warangal.**

**CYBER CLUB INAUGURATION ON NATIONAL TECHNOLOGY DAY on 11.5.2023 in the department of Cyber Security**

**AICLUBINAUGURATION on 09.06.2023 in the department of AI & ML**

**S-Hub activities on 16-02-2023**

**Prof. Limbadri, Chairman, TSCHE, Visited the College Stall during the Educational Fair-2023 organized by TNews at Niazam College Grounds**

**HIGHER EDUCATION AWARENESS MEET ON 25.03.2023**

**Faculty & Non-Teaching ORIENTATION & AWARENESS PROGRAM ON CODE OF CONDUCT – 17-06-2023  
Dr. Rama Krishna Rao, Director, Academics & Evaluation and Sri. L.Satyanarayana, Administrative Officer, addressed the gathering about rules and regulations**

## START-UP & INNOVATION

Sri Indu College of Engineering and Technology (SICET) formed “Start-up & Innovation Cell” intended to create an integrated, college and university-based innovation ecosystem to support innovations and ideas of faculty members and young students and provide a conducive place and environment for optimum output of their thoughts and creative ideas.

The Entrepreneurial vision, defined by discovery and risk-taking, is an indispensable part of a nation’s capacity to succeed in an ever-changing and fiercely competitive global marketplace. A Start-up & Innovation Cell has been established at our institute to support this vital need of the present times.

The Start-up & Innovation Cell aims to provide a platform for the convenient merger of innovative and entrepreneurial efforts. The idea is to foster and facilitate innovation and entrepreneurship among the faculty and students through mentoring, training, and financing. The thrust is on innovation and incubation to transform a seemingly simple and novel idea into a marketable product and thus help an innovator of today to become an entrepreneur of tomorrow.

**Mr. Idikuda Maniraj and Gunti Dharani ECE Students Presented a B-Plan Titled “Brainy Bottle” and won the 2<sup>nd</sup> Prize in Startupedia’23, under in 9<sup>th</sup> National Level Startup Event organized by the Institute of Public Enterprise, Hyderabad from 16-02-2023 to 17-02-2023**

## CELEBRATION OF IMPORTANT EVENTS

Technology Day in India holds historical significance and is celebrated to commemorate the achievements and advancements in the field of science and technology. This day, observed on May 11 every year, marks the successful nuclear tests conducted by India in 1998.

**Environmental Day Celebrated on 05-06-2023, Speaker Dr. A. Gangagni Rao, Chief Scientist and Professor, ACSIR** World Environment Day is celebrated on June 5 every year to remind people to save nature and the earth by stopping their non-environmentally friendly activities.

**International yoga Day organized on 21-06-2023, the theme for International Yoga Day 2023 is 'Yoga for Vasudhaiva Kutumbakam, Faculty and Students actively participated with various Asanas demonstrated By Sri. Sathyanarayana & Sri. Balakrishna Reddy, Administrative officers.**

**National Youth Day celebrated on 12-01-2023**

Republic Day celebrations on 26-01-2023

Telangana Formation Day Celebrated on 02-06 2023

## SOCIAL OUTREACH ACTIVITIES

Cyber Security department ORGANIZED **CHILD EDUCATION AWARENESS PROGRAM ON 04.05.2023** in association with ZPH Govt. School

Cyber Security department organized Clean India campaign organized in association with NSS, on 15-04-2023 at Bongloor Village, Telangana.

ME Department organized "Tree plantation and Water Harvesting program" in association with Spoorthi Jyothi Foundation on 26-05-2023

Department of Cyber security organized outreach program on food relief activity at Slum area, nearTKRcollegeon10.02.2023

# 21<sup>st</sup> TECHNOSTAV - 2023

21<sup>st</sup> Technostav – 2023 conducted in association with ISTE/IETE Students chapter presents a National Level Technical Symposium on 11-03-2023. Every year SICET is conducting “TECHNOSTAV” program. It is the Technical Fest where entire college students shall be participating in various Technical and other innovative events. In this fest, students prepared the stalls to demonstrate their own developed modules, some funny events like gaming, competition based events also conducted. Non technical events like “flashmob “dance, Musical chairs, Circle Cricket, College Radio etc., successfully conducted by students.

## OBJECTIVES

- To Provide a common platform for students of Engineering to interact for the exchange and enhancement of knowledge, ideas and to improve their innovative and creative skills.
- To imbibe the spirit of competitiveness among the students in the current and emerging trends of technology in the engineering disciplines of Electrical, Mechanical, Electronics, Computer Science, Information Technology and Civil.

SICET organized a flash mob in the College Campus on 11-03-2023. It can be a fun and exciting way to bring students together, showcase creativity, and create a positive and lively atmosphere on campus.

### **SIGNATURES DAY**

Final Year students celebrated signatures day on 06-06-2023. Students were very happy and they have taken the signatures from each other and also from the faculty members. HODs and the faculty had advised the students for their future endeavors. Students made the event a memorable one.

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### Annual Day Celebrations- 2023

**Annual Day** - It is an occasion of celebration, felicitation, feast, and festivity. The students present not only their performances but also receive Certificates and prizes for their curricular and co-curricular achievements. ECE students actively participated and received awards from the Chairman.

**Chairman Appreciating the students who won 2<sup>nd</sup> Prize in 9<sup>th</sup> National Level Startup Event organized by the Institute of Public Enterprise, Hyderabad from 16-02-2023 to 17-02-2023**

**Students Receiving Certificates and awards from Chairman & Director, Academics & Evaluation during Annual Day Celebrations**

## PROJECT EXPO

The ECE branch students participated in Project Expo Exhibition conducted on 04-05-2023. It is the platform which helps to unleash the potential of our students. The main objective of the Project Expo is to bring out the student's innovation.

Principal, Director, HODs from all the departments and students visited stalls

Students explaining about their projects

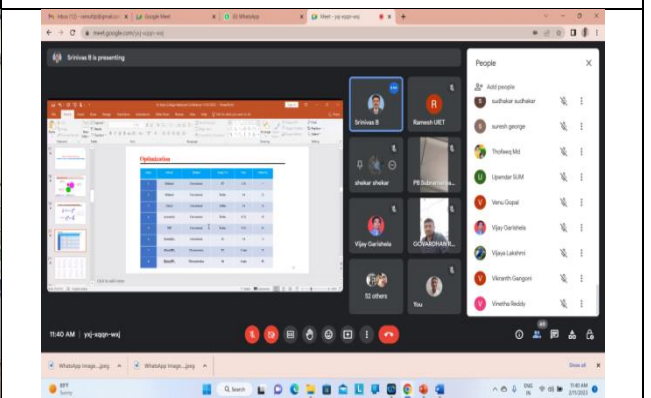

**ECE Staff and Students participated in womens day celebrations**

**Attended for MSME Programme on National IP Yatra -2023 organized on 13-03-2023**

**Final year ECE Students celebrated in signature day on 06-06-2023 in the college campus**

**Students attended Campus Drive on 10-02-2023**

**Faculty attended online National Level Conference on "New Research Development in the Science & Technology" on 10-02-2023, Speaker Dr.B.Srinivas, Assoc. Professor, NIT Warangal.**

**CRT Training classes conducted for 3<sup>rd</sup> year students from 30-05-2023 – 03-06-2023**

**Staff and Students participated in INSPIRE One day career enhanced Programme, organized by Kalam's Institute of youth Excellence on 29-04-2023, Chief Guest Dr. G.Sathish Reddy, Scientific Adviser to Raksha Mantri and Farmer Chairman DRDO, Special Guest Dr. S. Somnath, Secretary Department of Space and Chairman of ISRO**

## TECHNOTSAV-2023

As part of 21<sup>st</sup> Technotsav 2023 the following events have been conducted. Faculty and Students have coordinated all the events successfully.

**Technical Events:** Wire Buzz, Poster Presentation, Video Presentation, Deaf and Dumb, Blind Coding, Danger Buzzer, Clash of Errors and RC Plane.

**Non-Technical Events:** Sling Shot, Joy Stick, Cup-N- Ball, Dice King Roll, Hold the Brick, Tatoo, Blow the Glass Tower, Flip Tack Toe, Treasure Hunt, Marble Balance, Resin Hand Casting Art, Challenge Room, Single Over Cricket, Photography Contest, Create your Memories, Cup Staking, Feets & Hands, Dj and Match the Number.

Winners receiving prizes from Dr. A. Ramakrishna Rao, Director, Academics & Evaluation

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Guest Lecture on Network Forensic Investigation using Data Science by Dr. Rajesh Pasupuleti, Data Scientist in system soft technology, California, USA on 02-03-2023

Two Day Workshop on Python Programming with Real Time Applications in Association with CSI Students Local Chapter during 22-23 June, 2023, Resource Person Mr. Fazal UR Rahaman, Sr. Developer Manac Infotech. The objective Of Conducting the Technical Workshop: 1.To Encouraging the students in adopting new Skills in Emerging Technologies, 2.Encouraging the students with hands on programming experience in python programming and 3.To enrich the knowledge of developing applications using python.

The Firstnaukri Online Aptitude Test was held on 11<sup>th</sup> march 2023, Is an exclusive exam designed to assist students in their job and internship preparation.

3<sup>rd</sup> Year students attended for 12 days Campus Recruitment Training online during 22-27, may 2023 and offline during 5-10, June 2023.

Campus Recruitment Training (CRT) is a programme exclusively designed for the students preparing for recruitment. Its aim is to ensure that the students are well-equipped to get through the recruitment process of various IT and non-IT companies. Job-seekers and placement providers contribute through their inputs in order to make this programme an effective one.

## FACULTY ACHIEVEMENTS

### WORKSHOPS/FDPs/SWAYAM/NPTEL

- **Mrs. B.Surekha**, Assoc. Professor, completed AICTE NPTEL 12 WEEKS FDP on “Introduction to machine learning” during January-April, 2023.
- **Mrs. J.Sasirekha**, Asst. Professor, completed AICTE NPTEL 12 weeks FDP on “Introduction to Internet of things” with Elite+Silver during January-April 2023.
- **Mrs. B.Surekha**, Assoc. Professor, attended FDP, on 1. DATA SCIENCE USING MACHINE LEARNING from 02-01-2023 TO 06-01-2023, EXCELR.
- **Mrs. J.S Radhika**, **Mrs. K PRIYANKA** Asst. Professors, attended 5 days FDP on “BLOCK CHAIN TECHNOLOGY AND APPLICATIONS” from 02-01-2023 TO 06-01-2023, ANURAG UNIVERSITY, Hyderabad.
- **Mrs. M.Srividya**, Asst. Professor, attended 5 days FDP on “BLOCK CHAIN TECHNOLOGY AND APPLICATIONS”, from 02-01-2023 TO 06-01-2023 from Anurag University, Hyd.

### SWAYAM NPTEL

- **Mrs. B.Surekha**, Assoc. Professor, completed SWAYAM NPTEL MOOC certificate on “Introduction to machine learning” during January-April, 2023.
- **Mrs. J.Sasirekha**, Asst. Professor, completed SWAYAM NPTEL MOOC Certificate on “Introduction to Internet of things” with Elite+Silver during January-April 2023.

## PROJECT EXPO – 2023

The IT and CSIT branch students participated in Project Expo Exhibition conducted on 04-05-2023. It is the platform which helps to unleash the potential of our students. The main objective of the Project Expo is to bring out the student's innovation.

## TECHNOTSAV – 2023

As part of 21<sup>st</sup> Technotsav 2023 the following events have been conducted. Faculty and Students have coordinated all the events successfully.

1. Mirror Typing
  2. Debug
  3. Design a Website
  4. Idhanam
  5. Taboo
  6. Lazer maje and Many
- Students also actively participated in Music Concert

Students participating in Non-Technical Events during Technotsav

Two Day Workshop on Python Programming with Real Time Applications in Association with CSI Students Local Chapter during 22-23 June, 2023, organized by CSE and Allied branches

International Women's Day Celebration on 08-03-2023

### AI CLUB INAUGURATION : Inauguration on 09-06-2023

An AI club can provide a platform for members to learn and educate themselves about AI and related fields. This can involve having knowledge and resources, organizing workshops, seminars, and training sessions, and engaging in collaborative projects and research.

**BraceYourself2023:** Technical events are an essential part of student activities as it gives a platform to young brains to showcase their innovative ideas and compete with their peers. These technical events are an amalgamation of fun and learning where spectacular ideas are displayed, and students learn and feel inspired. The Department always encourages students to organize and participate in various technical events within and outside the college.

**BraceYourself2023 Technical and Non-Technical event organized on 10.01.2023 Under Codex club, conducted on Poster presentation(BillBoard),You-Th(YourThoughts),LogicLeadsetc.**

**Nela Talli Plantation programme organized**

**Women's Day Celebration on 08-03-2023**

**TECHNOTSAV 2023**

As part of 21<sup>st</sup> Technotsav 2023 the following events have been conducted. Faculty and Students have coordinated all the events successfully.

## CENTRAL LIBRARY

Library established in a separate building with a carpet area of 2500 sq-mts., is the backbone of our institute. It can accommodate 300 readers at a stretch. It has a collection of more than 44000 volumes & 7358 titles. College has subscribed National, International Journals, Magazines, Technical Magazines and newspapers. Study materials for the competitive examinations such as **TOEFL, GRE, IELTS, CIVILS, GATE and UGC NET/SET** have also been provided in the Library.

Central Library has a well equipped Digital Library with more than 55087 e-books. It has **IEEE, J-Gate Engineering & Technology, DELNET, UGC N-List, National Digital Library and SWAYAM PRABHA** facility under which various library sources around the world are shared. It being apart, MIT(USA), IITs' NPTEL and Video Courses have been installed in the Digital Library to inculcate the research oriented thinking among the students.
