SICET is a UGC Autonomous College, approved by AICTE. Affiliated to JNTUH. Accredited by NAAC and NBA and certified by ISO 9001:2015. The college also ranked “151-300” in NIRF innovation ranking 2023. The Institute offers B.Tech. Courses in CSE, IT, CSIT, ECE, EEE, MECH, CIVIL, AI&ML, AI&DS, DS, CS, IOT and MTech Courses in CSE, CS and ES.

About REDSECOPS

REDSECOPS, a Hyderabad-based cyber security company founded on December 9th, 2022, operates across two distinct verticals. The first vertical entails a product engagement model focused on development, while the second vertical revolves around providing comprehensive security solutions across domains such as IoT, automotive, and web/application testing. REDSECOPS adopts a research-oriented and progressive approach to deliver cutting-edge cyber security solutions, incorporating AI modules and integrated technologies, catering to a diverse range of industries from enterprises to startups. In addition to developing its own proprietary products, REDSECOPS collaborates with over four startups and actively engages in projects in association with the National Skill Development Corporation (NSDC). Represented by **Founder, BHARATH KUMAR RESU** .

Whereas both parties agree that

1. **REDSECOPS** may involve the subject experts from Sri Indu College Of Engineering & Technology in their research/consultation work.
2. **REDSECOPS** and Sri Indu College Of Engineering & Technology experts are willing to become partners for the research work.
3. **REDSECOPS** shall offer internships on a paid basis and provide certification to faculty members.

4. **REDSECOPS** shall provide training and workshops in the areas of core for cyber security for various students of Sri Indu College Of Engineering & Technology
5. **REDSECOPS**, we aim to establish a Cyber Security Club with the objective of fostering the development and knowledge of students in the field of cyber security. The club will serve as a platform where students can engage with industry experts who will provide guidance and mentorship on various cyber security modules. Additionally, these experts will collaborate with us to develop innovative security solutions and products. As a part of our commitment to nurturing talent, we will select the most outstanding participants as interns during the initial stage, offering them valuable hands-on experience. Further, exceptional interns will be considered for full-time job opportunities within our organization.
6. Sri Indu College Of Engineering & Technology shall provide the list of students well in advance to plan for industrial visits and internships.

Responsibilities of REDSECOPS

1. Well-experienced trainers with engineering qualifications & concern certification.
2. Training materials in softcopy and course completion certificate on the name of participant will be provided in the relevant training programme.
3. Support in terms of seminars and counseling for students interested in joining the training.
4. Upon the execution of the MOUs, our next step will involve commencing the establishment of clubs within the college.
5. Our primary focus will be to provide hands-on training in cybersecurity for both students and faculty, fostering active participation.
6. In addition, we plan to organize various events and MOUs, alongside monthly webinars addressing the latest trends in cybersecurity.
7. Should the club prove to be successful, we envision the possibility of establishing a dedicated research and development center for advancing security measures.

And the parties therefore agreed to enter into an Agreement for collaborating with each other. The company will assist to college with the following activities:

- Industrial visits for students and faculty.
- Providing Internship for students.
- Assisting final-year students with their project work.
- Providing training for students and faculty.
- Guest lectures by deputing experts.
- Research and Development.
- Campus interview as and when required.
- Certification courses.

It is also agreed that the following:

1. REDSECOPS and Sri Indu College Of Engineering & Technology shall prepare a training calendar for the academic year that is found suitable for the students of the concerned department.
2. The MOU is valid for 1 year from the date of signing and shall be renewed further with mutual agreement.
3. The MOU not meeting in line with the requirements will be liable for rejection.
4. Due to any unforeseen reason and situation, if either party intends to or is forced to discontinue the agreement, it may be discussed and mutually close the agreement with ONE month's notice period by either party in writing
