Title	“TECHNOTSAV– CODE REFLEX”		
Organized by	Department of Information Technology		
Academic Year	2024-2025	Program Type	Technical Event
Start Date	22/02/2025	End Date	22/02/2025
Program Theme	To provide an opportunity to students to showcase their experience writing in reverse and writing backwards skills.		
No. of Students Participated	50	No. of Faculty Participated	4
No. of External Participants	Nil	Venue	Main Block – Lab 05
Objective	To show case the backward writing skill, support and promote the appreciation.		
Benefits in terms of Learning/Skill/ Knowledge obtained	Among the benefits of code reflex is they improved reverse writing skill. Looking at the code reflex, it encourages brain processing.		
Description	<p>The Technotsav was held on 22.02.2025. Under this Technotsav conducted various activities on technical and non technical events for the students. The participants are invited from outside the college. In the morning session different types of Technical events were conducted. Code Reflex were conducted in morning session. In first round, in and around 50 students were participated in different branches. For second round 20 students were selected and afternoon session second round was conducted. Winners and Runners were awarded with prizes.</p> <p>In the afternoon session Non-Technical events were conducted. Finally the session was ended with prize distribution and valedictory at 3.45 pm.</p> <p>First winner:P.Gopi(CSIT-1st Year)</p> <p>Second Winner:R.Sumanth(CSE-C-section-1st year)</p> <p>Third winner:P.Lokesh reddy(CSE-D-Section-1st year)</p>

Title	“TECHNOTSAV– “ELEVATE X”		
Organized by	Department of Information Technology		
Academic Year	2024-2025	Program Type	Technical Events
Start Date	22/02/2025	End Date	22/02/2025
Program Theme	To enhance quick coding challenge based on a Interview Challenge.		
No. of Students Participated	30	No. of Faculty Participated	2
No. of External Participants	Nil	Venue	Mainblock-2ndfloor-IT workshop
Objective	The primary objective of Elevate X was to equip students with essential interview skills, enhance their confidence, and provide them with constructive feedback through a series of competitive rounds.		
Benefits in terms of Learning/Skill/ Knowledge obtained	The Elevate X interview challenge provided participants with a comprehensive platform to enhance their interview skills and receive valuable feedback from experienced judges. The event fostered a spirit of learning and collaboration among students, preparing them for future career opportunities.		
Description	<p>The Technotsav was held on 22.02.2025. Under this Technotsav conducted various activities on technical and non technical events for the students. The participants are invited from outside the college. The program was started by 11.00 am. In the morning session different types of Technical events were conducted. The first round, "Resume Roast," involved participants presenting their resumes to a panel of judges. The judges provided constructive feedback on various aspects of the resumes, including formatting, content, and the overall presentation of skills and experiences. This round aimed to help participants understand how to create impactful resumes that stand out to potential employers.</p> <p>In the second round, participants faced a series of technical questions relevant to their fields of study. This round assessed their knowledge, problem-solving abilities, and critical thinking skills. Participants were encouraged to explain their thought processes while answering questions, showcasing their understanding of core concepts.</p> <p>The final round simulated a typical HR interview, where participants answered questions about their experiences, strengths, weaknesses, and career aspirations. This round aimed to prepare participants for real-world</p>		

interviews by providing them with an opportunity to practice their responses in a supportive environment.

In the afternoon session Non-Technical events were conducted. Finally the session was ended with prize distribution and valedictory at 3.45 pm.

First prize:N.Rohith(DS-3rd year)

Second prize:M.Pradeep kumar (CSE-1st year)

Title	“ PROJECT EXPO ”		
Organized by	Department of Information Technology.		
Academic Year	2024-2025	Program Type	Technical Event.
Start Date	22/02/2025	End Date	22/02/2025
Program Theme	Project Expo.		
No. of Students Participated	38	No. of Faculty Participated	09
No. of External Participants	Nil	Venue	CSE-SEMINARHALL.
Objective	The objective of a project expo is to showcase innovative ideas, demonstrate projects, and share knowledge, fostering learning, collaboration, and creativity among participants.		
Benefits in terms of Learning/Skill/ Knowledge obtained	<ul style="list-style-type: none"> • enhances practical skills • deepens subject knowledge • fosters problem-solving • promotes teamwork • improves presentation and communication abilities. 		
Description	A project expo is an event where individuals or teams showcase their innovative projects, research, or prototypes to a wider audience, often including peers, industry professionals, and judges. Participants present their work through displays, demonstrations, and presentations, allowing for feedback and collaboration. These expos promote creativity, critical thinking, and hands-on learning. They offer a platform for networking, idea exchange, and skill development. Attendees gain insights into the latest trends and advancements in various fields, while exhibitors refine their problem-solving and communication abilities. Overall, a project expo fosters a culture of learning, innovation, and growth.
