Five-day International Faculty Development Programme

on

Recent Trends and Best Practices in Teaching in Higher Education Institutions: Integrating Values and Skills

12th to 16th August 2024

Department of Humanities and Basic Sciences

Sri Indu College of Engineering and Technology

Sheriguda, Hyderabad

Introduction

Department of Humanities and Basic Sciences, Sri Indu College of Engineering and Technology, organized a Five-day Faculty Development Programme (Online) on *Recent Trends and Best Practices in Teaching in Higher Education Institutions: Integrating Values and Skills* from 12th August to 16th August 2024. All sessions were held from 6.00 PM to 9.00 PM on every day.

Objectives:

1. To introduce the recent technological skills and tools in teaching
2. To inculcate value-oriented professionalism among teachers
3. To emphasis the role of research activities in teaching profession

Expected Outcomes:

1. Enhanced understanding of recent trends in values and skills-based education.
2. Ability to design and implement value-based and skills-focused curricula.
3. Strategies for creating inclusive and engaging learning environments.
4. Effective use of technology to support values and skills-based education.
5. Innovative approaches to assessment and evaluation.

Key Areas of Focus:

- Value-Based Education: Integrating values such as empathy, diversity, and sustainability into teaching practices.
- 21st Century Skills: Developing critical thinking, creativity, collaboration, and communication skills in students.
- Inclusive Pedagogy: Strategies for creating inclusive learning environments that cater to diverse student needs.
- Technology-Enhanced Learning: Leveraging technology to facilitate values and skills-based education.
- Assessment and Evaluation: Innovative assessment methods to measure values and skills acquisition
