AICTE SPONSORED A TWO DAY NATIONAL CONFERENCE

On

*“Innovations, Challenges and
Solutions in Engineering, Science and
Technology (NCICSET'25)”*

17th & 18th December, 2025

Organized by

**DEPARTMENT OF COMPUTER SCIENCE
AND ENGINEERING**

**SRI INDU COLLEGE OF ENGINEERING
AND TECHNOLOGY**

(UGC Autonomous Institution)

Accredited by NBA, NAAC, Approved by AICTE &
Permanently Affiliated to JNTUH
Sheriguda, Ibrahimpatnam,
Ranga Reddy Dist. 501 510.
Hyderabad, Telangana.

ABOUT THE INSTITUTION

Sri Indu College of Engineering and Technology (SICET) is sponsored by the New Loyola Model Education Society, Vanasthalipuram was established in the year 2001.

The Society proudly announces that it has firm standing in the field of education for the past 44 Years. The College is located in a serene atmosphere abutting the Hyderabad. New Loyola Model Education Society has established many institutions right from KG to PG in the areas of Engineering and Non-Engineering under the Chairmanship of **Sri. R. VENKAT RAO**. The College has commitment to impart Quality Education in the field of Engineering & Technology. The College offers B.Tech, M.Tech & MBA courses.

LIST OF COURSES OFFERED

UG - COURSES	PG - COURSES
B.Tech :- CSE, AIMA, AIDS, CS, CSIT, DS, IT, IoT, ECE, EEE, CIVIL & MECHANICAL.	M.Tech :- CSE, CS MBA - OU

ABOUT AICTE

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. And to ensure the same, as stipulated in the National Policy of Education (1986), AICTE was vested with:

- Statutory authority for planning, formulation, and maintenance of norms & standards
- Quality assurance through accreditation
- Funding in priority areas, monitoring, and evaluation
- Maintaining parity of certification & awards
- The management of technical education in the country

The purview of AICTE (the Council) covers programmes of technical education including training and research in Engineering, Technology, Architecture, Town Planning, Management, Pharmacy, Applied Arts and Crafts, Hotel Management and Catering Technology etc. at different levels.

ABOUT THE CONFERENCE

AICTE Sponsored Two Day National Conference on Innovations, Challenges and Solutions in Engineering Science and Technology (**NCICSET'25**) is a first successive Multidisciplinary National Conference organized by **Department of Computer Science and Engineering** of Sri Indu College of Engineering & Technology.

NCICSET'25 is a premier gathering of researchers, academicians, engineers, scientists, and industry professionals from around the world. This conference serves as a platform for sharing innovative ideas, research findings, and practical experiences in various fields of engineering and science.

NCICSET'25 aims to facilitate discussions on recent advancements, emerging trends, and challenges encountered in the rapidly evolving landscape of technology. It provides a forum for participants to exchange knowledge, collaborate on interdisciplinary projects, and explore potential solutions to global issues.

SCOPE OF THE CONFERENCE

This National Conference aims to promote translation of basic research into applied investigation and convert applied investigation into practice. The key intention of **NCICSET'25** is to provide opportunity for the global participants to share their ideas and experience in person with their peers expected to join from different parts of the world.

In addition, this gathering will help the delegates to establish research or business relations as well as to find international linkage for future collaborations in their career path. We hope that **NCICSET'25** outcomes will lead to significant contributions to the knowledge base in these up-to-date scientific fields in scope.

PUBLICATION OF THE CONFERENCE

Accepted and presented papers will be published in the AICTE Sponsored Two Day National Conference Proceedings with ISBN:
