- Developing Talent, creating knowledge through institutional solutions such as creating digital resources and creative technology solutions for class room learning.
- As majority of the students have rural background, the committee will carry out assessment of performance and learning Levels through the process of examinations which will ultimately be taken as formative feedback mechanism.
- The committee will subject the students to mock test, categories them according to their intellectual abilities.
- The committee also will place more emphasis on nonverbal presentations through learning aids, datasheets, worksheets, slides, PPT, models, animations, multimedia, Audio/Video aids etc
- The committee also will ensure that the students participate in all activities such as language proficiency communications, teamwork, initiative and enterprise planning and organizing self-management and learning
- The Training & Placement officer will maintain a close liaison with the Industry for placement of the students.
